Little Cindy Meyer was taken back to the Methodist Hospital Sunday with an ear infection. She had been home two days

Louisville High School Burglarized

Burglars broke into the Louisville High School early Friday morning and made away with less than \$10 in cash and a used TV radio console.

Entrance to the building was made by breaking out the front door glass. The glass door to the principal's office was likewise forced.

A vain attempt was made to hammer open the wall safe. Very little money was in the safe, according to school officials. Damage to the safe was heavy and repair men had to cut a hole in the wall in order to get to the door which was damaged.

A similar breakin occurred the same night at the high school at Syracuse in Otoe County. The burglar tools used at both breakins left similar marks.

This is the second schoolhouse breakin in the county during the past few weeks, the other being in Weeping Water. Otoe County has had three similar school breakins and Sarpy County two.

Sheriff Tom Solomon said the breakins didn't appear to be done by professional burglars. Sheriff Hall of Otoe County and Solomon met Saturday night to go over the evidence obtained in the breakins.

Cars Collide

No one was hurt in collision of two cars at the intersection of 2nd Avenue and South Third Street Saturday about 7:50 a.m.

Colliding were a 1951 Chevrolet driven by Larry Campbell, 20, Plattsmouth, going west on 2nd, and a 1951 Chevrolet driven by Clayton Rhylander, 35, Plattsmouth, going south on 3rd.

Damage was to the front of the Campbell car to the left front side of Rhylander's car.

when she returned to the hospital.

Robbery Involving Former Residents Told In Detail

NEHAWKA (Special) — Mrs. Glen Rutledge received a letter Wednesday from her sister, Mrs. Fred Born of Hulett, Wyo., telling in detail of the robbery which occurred at the Born home and at the Post Office, of which Mr. Born is postmaster.

A robber came to their home about 7 p.m. and told Mr. Born, who answered the door that it was a stick-up. He forced Mr. Born to the kitchen with his gun. When Mrs. Born came to see what was happening the robber shot a hole through the cabinet. A splinter from the cabinet lodged in Mrs. Born's leg.

He forced Mr. Born to tape Mrs. Born and made her lay on the floor. Then he took Mr. Born to the post office where he took the money, about \$250. He also took \$50 from Mr. Born. Mr. Born had taken \$600 to the bank that afternoon.

Mrs. Born had freed herself and had gone to the yard to get help. When she came out another accomplice hit her in the eye and knocked her down on the ice. Mr. Born was not injured but when he came home he found his wife walking in the yard in a dazed condition. The robbers were caught later in western Nebraska.

Mrs. Born's mother, Mrs. Vesta Clark had been staying at the Born home this winter, but was at the hospital at this time. She has been seriously ill.

NEW! the SCOUT

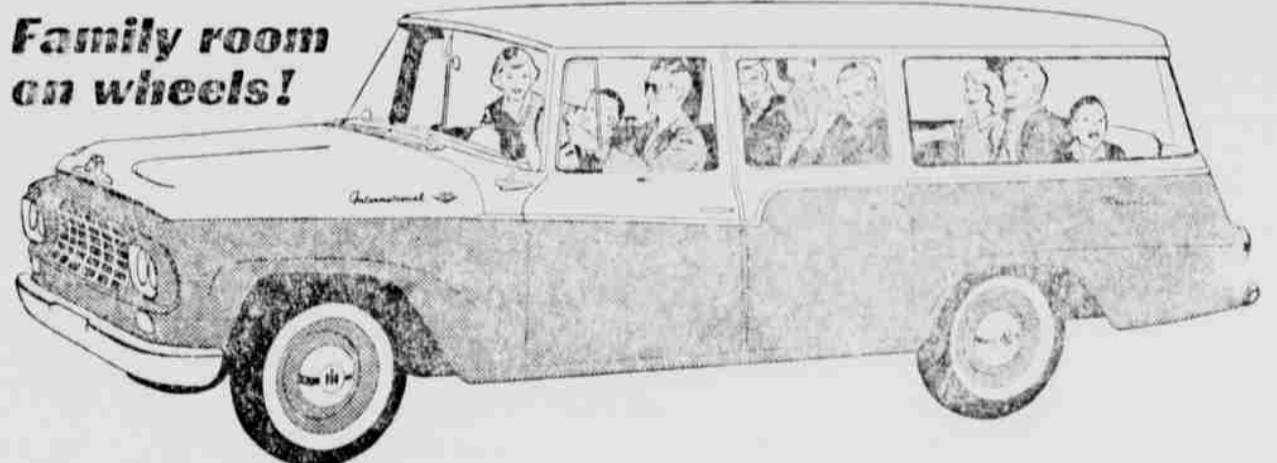

America's work or play wonder!

The Scout is a whole new idea in low-cost transportation. It's a hardtop pickup that hauls man-size loads of cargo one minute. The next, it's an open air runabout that carries three passengers in front and more in the rear. Optional all-wheel drive makes it an off-road workhorse, too. And an optional steel Travel-Top makes it a handy town delivery. But no matter where the Scout goes, it saves on gas and oil with the thrifty INTERNATIONAL 4-cylinder Comanche engine. There's never been anything like the Scout before!

NEW! the BIG WAGON

Family room on wheels!

The TRAVELLER wagon by INTERNATIONAL is lower in height, for easy in-and-out. Yet inside, it offers lots of room for passengers and loads. Seating arrangements for every need: 9 people plus load, 6 people plus a big load, 3 people plus a giant load. It has four wide doors. A tailgate that swings open to easy loading height. An electrically operated rear window. A clean underside for extra ground clearance. INTERNATIONAL V-8 power is standard. The TRAVELLER is so maneuverable a woman can handle it with ease.

swings open to easy loading height. An electrically operated rear window. A clean underside for extra ground clearance. INTERNATIONAL V-8 power is standard. The TRAVELLER is so maneuverable a woman can handle it with ease.

Come in Wednesday, Feb. 15, See 'em! Drive 'em! Price 'em!
