

880 RELAY—Running the 880 relay for Plattsmouth High this year is the quartet above, from left, Jim Stewart, Corky Adkins, Gene Noel and Dave Wilson.

Toothaker Loses in Mile Duel

It was a rough go for Plattsmouth High athletes Tuesday in a Twin Rivers Conference track meet at Crete that presented a great array of talent. The Blue Devils finished last in the field of six teams, scoring eight points. An anticipated good mile duel between Plattsmouth's Larry Toothaker and Beatrice's Wally Weekes came off as expected. Weekes, the state's top miler this year, won by about 20 yards with a great finish. He was clocked at 4:36.6 to beat Toothaker's record set last year at 4:38.2. Toothaker, finishing second, was caught at 4:41. It was his best time this season. Other points for Plattsmouth were a 5th in the high hurdles by Larry Cadwell and 5ths in the two-mile, mile and 880 relays. Falls City won the meet with 76, trailed by Fairbury with 57, Beatrice 55, Crete 22 and Nebraska City 20.

PLATTSMOUTH MILER Larry Toothaker, right, got an extra thrill this season when he met Wes Santee, former great and controversial Kansas University miler. The meeting was at the Council Bluffs Relays where Larry won the mile for which Santee was official starter. Plattsmouth Track Coach Cecil McKnight is at left.

Ag-Wildlife Co-operation 'Assured'

LINCOLN—Better hunting and fishing go hand in hand with land conservation practices, Albert Franke, state chairman of the Agricultural Stabilization and Conservation committee, said today. "The Agricultural Conservation Program and the Nebraska Game Commission have many common objectives. If we work together, we can bring more rapid progress in meeting fish and wildlife needs while solving problems of soil and water conservation," the Walton man said. In Lincoln, Game Commission Director, M. O. Steen, agreed with Franke.

HURDLES—Plattsmouth High's hurdles squad includes, from left, Larry Cadwell, Dave Nettelmann and Gene Noel.

Deer Seasons To Be Set

LINCOLN — The Nebraska Game Commission will set 1961 deer seasons at the next meeting of the seven-man board on May 12. Chairman of the Commission is Robert H. Hall, insurance executive from Omaha. Vice chairman is Keith Kreyzik, Valentine loan evaluator. Recommendations for the 1961 season will be presented by technicians to the Commissioners. Last year's season was closely planned to be a near 40 per cent kill. Some 5,384 deer were taken during the rifle season for a 43 per cent success score for 12,596 permit holders. Several record animals were bagged. Bow hunters had an even better year—second-best in their history, when 17.7 of the permittees took deer. The national average is around 5 per cent.

Master Hands

The April meeting of the Master Hands 4-H Club was held at the home of George and Donny Sacks. President David Osthus opened the meeting by leading the pledges to the flags. The boys sent part of the money from their bake sale April 15 to the National 4-H Camp. Donny Sacks was elected club treasurer. The boys are to go to church May 7, Rural Life Sunday. Giving demonstrations were Donny Sacks on Common Joins, Phil Lepert on Wood, and David and Tommy Osthus on File Cabinet. Next meeting will be May 24 at Phil Lepert's. The boys played games and Mrs. Sacks served lunch. — Harold Kuffenberger, reporter.

Luther Hodges, Secretary of Commerce: "We would be completely unrealistic unless we recognize that business is under an indictment..."

CAPITOL CORNER

Congressman
GLENN CUNNINGHAM

Washington, D. C. (Special)—Is there a "coalition" in Congress? Yes; in fact there are several coalitions. They form and disband according to the legislation under consideration. One coalition that has been more or less active for 25 years is comprised of conservative Congressmen from both parties. On the other side is the coalition of liberal Congressmen from both parties.

There are also coalitions made up of northern and southern Democrats, of farm state Congressmen, or urban Congressmen, and others formed and abandoned according to the way each Congressman feels about each bill. Do these coalitions interfere with progress? Or do they push forward legislation which is not needed? How do they operate? In the vast majority of cases, these so-called coalitions are not organized blocs. They are an easy way to refer to groups of Congressmen who usually vote one way or another. When the conservative coalition opposes big spending bills, the liberal press assails the coalition as blocking progress. But what the liberals forget is that these Congressmen represent a majority of the people in the country or the Congressmen would not be elected and reelected every two years. No coalition or other organization of Congressmen can operate unless these Congressmen represent the opinions of the people back home. When a coalition of any type is comprised of a majority of the Congressmen, chances are very good that they represent the opinions of the majority of voters in the country.

The new head man of the Government's civil defense agency is a man with big plans. He says he just can't get along with the mere \$80 million Congress gave his agency last year. No, sir. He says it will take at least \$400 million to run his agency next year. I still don't know whether the experts have decided whether we are supposed to try and get out of town when an enemy attack comes or burrow into the ground and wait it out. Report to taxpayers: Work continues on the third office building for Representatives. Construction started four years ago and has at least two more years to go before the building will be ready. Announced cost: \$65 million. (Probably will be much more.) I regret that the leadership in Congress did not see fit to schedule action on my resolution—introduced in 1957—which would have stopped construction on the building once and for all. The building is not needed. But there are some here who think they need a fancy new office.

3,100 Trouters At New Fee Lake
LINCOLN — Over 3,100 trout anglers have registered at Two Rivers Recreation Area near Venice since its opening April 1, the Game Commission said today. Latest totals show that 1,097 trout were visited the fee lake during the week of April 17 through 23. Average catch was three fish per tag, the same as for the previous two weeks. Champion angler was Ben Franklin, a limit including a 17-inch rainbow, taken in 1 1/2 hours of fishing on April 17. Bass fishing is improving, and catfish have ranged from 12 pounds down to 5. Two Rivers, the only state fee-fishing lake, is stocked solely with trout from raceways on the area and from state fish hatcheries. Other lakes on the area support warm-water fish of all ages and sizes. Picnic grounds bank these lakes, and camping areas have roads and facilities. A private concessionaire stocks food and supplies.

26-Pounder New Sturgeon Record
LINCOLN—A 26-pound sturgeon is the new Nebraska champion, the Game Commission reported today. The prize belongs to Richard L. Jooman, Norfolk, who snagged the primitive fish last November at Gavins Point. It replaces an 18-pounder taken by Ernest Petsche, Hartington, from the same water in 1958.

'Where the Boys Are' Has Verve, Gaiety, New Faces
A large cast of youthful and talented new screen faces in a story combining romance, drama, comedy and music, set against a backdrop of one of America's gayest vacation spots, adds up to entertainment for every member of the family in Metro-Goldwyn-Mayer's "Where the Boys Are."
The film plays Sunday-Tuesday, May 8-10, at Cass Theater here.

Where the boys are, there are the girls, and that's what this exuberant picture is about. Based on Glendon Swarthout's best-selling novel, its fast-paced action revolves about the flock of college students who descend on resort colonies—in this instance, Fort Lauderdale, Florida—during their Easter vacations in search of fun, relaxation—and romance. Playing leading roles are Dolores Hart as Merritt, George Hamilton as Ryder, Yvette Mimieux as Melanie, Jim Hutton as TV Thompson, Barbara Nichols as Lola, Paula Prentiss as Tuggie, and Connie Francis as Angie. Both Miss Prentiss, a tall, attractive brunette discovered on the campus of Northwestern University, and Miss Francis, one of America's top recording stars, are making their film debuts.

The action centers on Merritt, Melanie, Tuggie and Angie, who share a hotel room and who, with the exception of studious Merritt, are united in their resolve to track down male companionship. It doesn't take them long to make connections. Melanie, overreager for her first fling at life, becomes involved with a group of supposed Yale boys. Two Rivers is just south of Venice on U. S. Highway 30 A. The Platte River forms one boundary.

Students from Cass County in 'Gay Fiesta'
PERU—"The Gay Fiesta" will be the theme of the 1961 May Fete at Peru State Teachers College, Friday, May 5, in the College Gymnasium. The annual May Fete with its coronation ceremony, and May Day pageant of songs, dancing, and decorations will begin at 6:30 p.m. Eight freshmen ladies-in-waiting will include Winifred Sporer of Plattsmouth. After the colorful coronation, emceed by Ray Meister, Humboldt, the reigning royalty, their court and subjects will be entertained with singing and dancing, climaxed by the traditional May Pole dance. Dance ensembles will include Connie Dietl, Nehawka; Sharon Donlan, Eagle, and Crystal Seegel, Avoca. May Fete festivities will resume at 9 p.m. with dancing until midnight to the music of Bobby Layne and his orchestra. The public is invited to all May fete festivities. The May Fete is presented by the Women's Physical Education Department and the Student Senate of Peru State Teachers College.

Someone has looked it up and finds no time in our history when the country didn't have to be saved from the crowd that was running it.—Detroit News.
