Richard Russell, Senator (D-Ga.):

"But I can say I still think that SAC is the most destructive striking force and the greatest deterrent on earth."

Richard Keckler Hurt in Accident

Richard Keckler, 30, of Weeping Water suffered head and face cuts when his car left a county road a mile south of Louisville Tuesday at about 10:30 p.m.

Keckler also suffered chest injuries and a possible leg fracture and was taken to an Omaha hospital by Fusselman ambulance.

Call Your News And Social Items to 2141

Keckler was driving south when his car left the road and struck a tree. Sheriff Tom Solomon who investigated said it was the second accident recently at an unmarked curve in the road and that he would as a county safety check be made.

Taylor ants, which make nests of leaves bound with silk threads, are among nature's most ingenious builders. To draw foliage together for sewing, worker ants line the edge of one leaf and grip an adjoining one with their mandibles. Other workers rush forward, each with an ant larva in its jaws. The grubs exude threads of sticky silk that bind the leaves together.
