Damage was to the left rear fender and tail-light of the Pontiac, the right rear fender and door of Junction, Iowa, and a 1956 Chevrolet driven by William H. Falk, Plattsmouth, collided. Damage was to the right front door of the Ford, the left rear tail-light of the Chevrolet.

NAMED PRESIDENT — Mrs. Mary Lee Gough Nay of Boston and Chicago was named President of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., at the June 5 Annual Meeting. A native of McKinney, Texas, she has been a teacher and practitioner of Christian Science for many years.

'Spiritual Alertness Needed'

Greater spiritual alertness is needed to meet the unprecedented challenges and opportunities presented by the tremendous upheaval in the world today. The Christian Science Board of Directors said.

In a special message to the Annual Meeting of The Mother Church, The First Church of Christ, Scientist, held in Boston, Mass., on June 5, the Directors called for renewed vigilance on the part of all who cherish freedom, brotherhood, and Truth.

"Among the stirring headlines of our day," they said, "there is no more vital news than the Christianity which our Master taught and practiced. In an age of political tyranny and ecclesiastical despotism, of turbulence, unrest, and hatred, Christ Jesus came preaching that the kingdom of God is at hand. He wielded a power which the might of materialism could neither parallel nor resist."

In our own age, material limitations are yielding to the freedom-giving power of God, infinite Spirit, the Directors maintained.

"Humanity is crying out," they said, "for freedom. Peoples are clamoring for liberty; nations are being born; the barriers of time and space are crumbling. . . . In the fields of religion, government, education, discovery, invention, industry, and medicine, matter is slowly yielding to Spirit."

Named President of The Mother Church was Mrs. Mary Lee Gough Nay, a Christian Science teacher and practitioner of Boston, Mass. She succeeds Arthur W. Eckman, General Counsel of The Mother Church.

A native of Texas, Mrs. Nay received her education at Ward Seminary, Nashville, Tennessee, the University of Texas, and the University of Chicago. She withdrew from a musical career in 1918 to devote her entire time to the practice of Christian Science healing in Chicago. She became an authorized teacher of Christian Science in 1946. She will serve as President for one year.

The Rev. Gerald Kennedy, Methodist Bishop: "I am tired of people being ashamed of their church. Christians have become so afraid of any distinctive marks that they have forgotten who they are and what they are."
