**EAGER BUYERS**

Trumansburg, N. Y. — Some customers will buy anything so long as it looks easy to use. This point was proven, just in fun, by grocer James Crimmins in a local grocery store. He labeled some cans "instant water" and put them on sale at 85 cents each. They were advertised with a sign saying the water was the best possible for use in making instant coffee. Crimmins removed the signs and refunded the money — after five customers made purchases.
