

Cass Countyman of the Week

Howard Hutchman, Murray Resident Nearly 50 Years

Rev. Howard Hutchman

By Ruth Miller
Nehawka, Special Correspondent
"Sir, I suggest we name the town Sam Hill after Sam Latte."

There was an instant protest. Someone suggested Murrayton. In the end brisk little Pleasant View was re-christened Murray after Rev. George Murray, a Civil War Veteran and former pastor.

Today in Murray lives another beloved pastor, The Rev. Howard Hutchman, who told me this story.

Mr. Hutchman came to Murray in 1913. He fully expected Nebraska to be wild west with Indians roaming the country. Instead he recalls neatly fenced fields and good crops. He wrote home, "there is no smut on the wheat stalks and it is so clean. The first Indian I saw was a well dressed man in gray on the train."

Mr. Hutchman was born north of Pittsburgh, Pa. He attended college at Grove City and the Seminary at Pittsburgh which was founded in 1758.

At that time an adage ran "go to Xenia if you're looking for a wife, to Pittsburgh for typhoid fever." Anyone determined to go to the seminary in those days had the extra chore of boiling all the water before using it.

In 1912, he met Dr. John White at "Little Washington, Pa." and suggested a Mid-Western parish. Dr. White promised to keep him in mind. After the 1913 Easter Sunday Cyclone hit Omaha, Mr. Hutchman contacted Dr. White to see if Murray was still on the map. It was and he decided to go.

There was only one time he got homesick in the small plains town. Parcel Post was fairly new about 1912 and one day a package came from home.

It was about six inches square and quite damp. He opened it to find a broken jar of apple butter and some bread. He couldn't even taste it because glass, bread, and apple butter were so intermingled. He says,

"I believe I used my handkerchief that day."

Mr. Hutchman met Ida Bodeker in the Murray Sabbath School and saw her often as she lived just across the street from the old parsonage.

Ida's father, Charles H., came to Cass County in 1866. His parents settled in Louisville Precinct.

In 1876, Charles took up his own farm in Mt. Pleasant. His children remember that Charles H. loved to tell stories of the Indians he saw when he was in his teens. They were all friendly and it was common to drive over to the camps and spend a Sunday afternoon watching the bustle of an Indian camp.

One afternoon a young fellow became interested in a papoose in its wood cradle leaning against a tree. He reached down to pick it up and immediately regretted it for the squaw swooped upon him like an eagle in all its fury and drove him from camp.

Free High School Application Is Requirement

Nebraska School Laws state that the parent or guardian of any pupil desiring to take advantage of free high school education make application, in writing, to the County Superintendent of Schools before July 1 each year.

There are still several students in the County from whom such application has not been made. The cards for making this application were distributed by the several High Schools to eligible students.

If this card has been lost, another may be secured from the Office of the County Superintendent.

Board Re-Hires Clark as County Highway Supt.

The Cass County Board of Commissioners Monday rehired Fred Clark of Union for a third year as County Highway Superintendent.

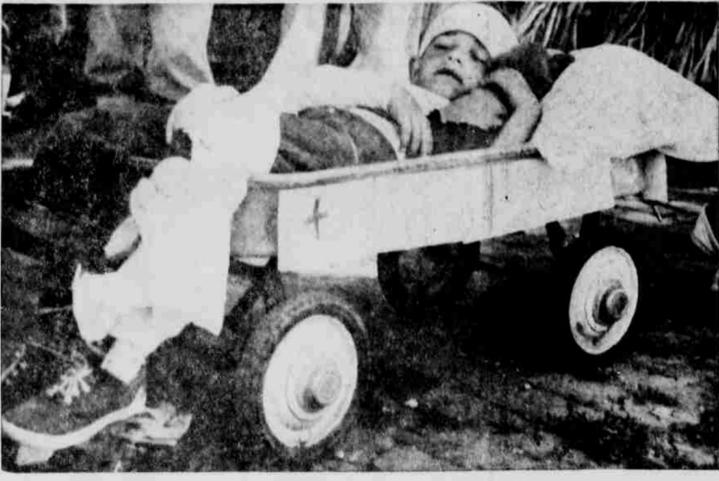

The fiscal year runs from July 1 to June 30. Clark was hired at the same salary, \$500 a month.

Clerk To Prepare Budget Proposal

County Clerk Chas. Land Tuesday was appointed the budget-making authority by the Cass County Board of Commissioners and instructed him to prepare a budget proposal for the 1961-62 fiscal year.

Although the clerk always prepares the budget in this county, it is a statutory requirement that the appointment and instruction be made annually.

The fiscal year runs from July 1 to June 30.

CASUALTY? NOT HE!—Gerald Giggey, 6, son of Mr. and Mrs. Allen Giggey, was not a casualty of the Kiddie Day parade Wednesday but a participant. He had the easiest "march" of all with brother Bill, 8, doing the leg work for the First Aid team.

Kiddie Day Attracts Hundreds

Kiddie Day here Wednesday, the annual treat for small fry from Plattsmouth merchants, attracted hundreds of youngsters and, judged by their bustle throughout a busy day, it was a great success.

The day began with a parade with costume judging and prizes (judging was done by the Mrs. Jaycees), followed by free pop corn, frozen treats and rides on a sightseers train.

Weather was ideal (perhaps a little warm for long-suffering adults who had to sweat out their youngsters' last train ride). Winners in the parade led by the train and the local fire truck were:

SMALL VEHICLES—1. Brad Cundall, 3; 2. Kenny Baumgart, 5; 3. Chris Langdon, 5.

MISCELLANEOUS—1. Marilyn Edwards, 5 (Indian Princess); 2. Loretta Sharnow, 9, and Kathy Jo Baumgart, 6 (Majorettes); 3. Bill Knorr, 7, Golf Pro.

PETS—1. Sharon, 6, and Patrick McGuire, 4 (Footlong Hotdog); 2. Lynn Todd, 8 (Siamese Cat); 3. Cynthia Fitzpatrick, 10 (Raccoon).

NO KETCHUP—First place winners in the Pets division of the parade were Sharon, 6, and Patrick, 4, children of Mr. and Mrs. Mike McGuire, Pam, their Dachshund, "willingly" was sandwiched between half-loaves of bread to become a "2" Footlong Hotdog. (Other photos of parade participants will appear subsequently).

Robert A. Beverage

Robert Beverage Is Graduate Of Colgate

Robert Allan Beverage was graduated June 12 from Colgate University at Hamilton, N. Y., in their 140th Commencement.

Beverage was in the upper third of his class, and received his degree in Psychology. He is the son of Mr. and Mrs. Richard Beverage of Plattsmouth. The couple's oldest son, Richard Jr. also was graduated from Colgate.

Adlai E. Stevenson was to have delivered the Commencement Address, but due to his unavoidable absence, performance of his duties was delivered by Thomas Hale Hamilton, Ph. D., President of the State University of New York.

Beverage was graduated from the Plattsmouth Schools in 1957. He was selected as a winner of the Alumni Memorial Scholarship of Colgate. There were 1,800 applicants for the scholarship, from these 40 were selected for the coveted honor, the highest recognition that can be given a freshman entering Colgate. He also was a Union Carbide Scholar.

The scholarship had a value of \$1,100 and continued each undergraduate year as long as it was justified by "academic standing, gentlemanly conduct and responsible participation in the life of the college."

The Plattsmouth high school graduate lived up to his qualifications; here at the high school he was an outstanding figure in the athletic department, in both football and basketball. He was a member of the band, active in chorus work, participated in class plays and a member of the letter club.

He studied pre-medicine for two years, and was selected to study in Germany during the 1959-60 academic year under the Junior Year in Munich Program sponsored by Wayne State College of Detroit. Under the program, Beverage attended the University of Munich and traveled throughout Germany along with other American students admitted to the program. He was the only student from Nebraska in this group, and one of four men selected from Colgate for this particular program.

Since his graduation he has been visiting his family and friends in Plattsmouth, and plans to enlist in the Army.

Nothing Else To Do?

Someone, a vandal, perhaps, pried out a driver vent pipe at Plattsmouth Cleaners during the night, police reported Wednesday. There seemed to be no motive for the act, they said.

This year she was named Outstanding Community Service Chairman in Nebraska and Outstanding Citizen Chairman.

Mrs. Fitch is a teacher in the Omaha Public School and church school superintendent of the First Methodist Church of Plattsmouth.
