FIREY FUN—It was a moment of great satisfaction for members of the Platts-mouth Country Club Sunday when Club President Ray Bourne, right, the club's first president, Boyd Linder, left, and Board of Directors Chairman Steve Davis gathered for a minute in the clubhouse during Sunday's family picnic for members. It may look like the three are contending for a well-chomped all-day sucker but what they're holding actually is a flaming piece of paper—the mortgage on the 60-acre tract on which the Country Club golf course was built.
