

Mayor Proclaims Sept. 17-23 'Constitution Week' Here

Mayor Grant Roberts has proclaimed the week of Sept. 17-23 as Constitution Week. This marks the 174th anniversary of the signing of the Constitution of the United States of America.

"In accordance with Public Law No. 915, the President of the United States annually proclaims the Week of Sept. 17-23 as Constitution Week inviting the people of the United States to observe such week in schools, churches and other suitable places with appropriate ceremonies and activities."

Do you love your country? But how much do you know about it? Many will celebrate Constitution Week by reading the Constitution. An informed citizenry is the best defense against Communism.

Liberty, freedom, yes, we talk a lot about our rights. But how long has it been since you read the Constitution of the United States?—the document that insures you your freedom?

The Daughters of the American Revolution suggest that you spend a half hour in reading and thinking about the Constitution and its importance to you. They urge you to give just a short time to better inform yourself to become a better citizen, and thus to celebrate the 174th anniversary of the Constitution.

Many Americans talk a lot about patriotism, but how many really do anything about it?

Do you believe in democracy? A firm knowledge of the Constitution of the United States will help prevent the growth of socialism from within our government.

A free, representative government can progress only if its citizens are informed, both on issues of the day and on the powers of the government.

The Daughters of the American Revolution appeal to all Nebraskans to spend some time each month to make themselves better informed citizens. It will help to understand better the many problems facing the nation. The Constitution of the United States is our basic law. Every citizen should know it well.

It is fitting that each and every citizen pause and consider the principles embodied in the Constitution of the United States of America and dedicate themselves anew to the support of this immortal document.

Around this nation citizens will be re-decorating themselves to

protect our Constitution and to defend it against all enemies. Here in Plattsmouth, Constitution Week will be observed in Sunday Services, and at the local schools. The Daughters of the American Revolution, Fontenelle Chapter met Tuesday night at the home of Mrs. Glenn Lutz, Mrs. Ruth Place of Lincoln was the speaker, using the Constitution of the United States as her main topic.

Committee Reports at VFW Meeting

Reports of chairman of the various committees marked the meeting of the Veterans of Foreign Wars, held Tuesday night at the Club rooms.

Harold Dukes commander conducted the business session to a good attendance of the membership.

The suggestion: "Attend your meeting and bring a member along," was successful followed at this session, and a repeat for the next meeting was urged.

Bob Gail, chairman of the smorgasbord to be held during the King Korn Carnival, reported on the tickets and the sales conducted. Members of the Post and Auxiliary have tickets that may be purchased by the public. The smorgasbord is an annual affair.

The house committee chairman, Rudy Stoll, announced that on the agenda for Sunday would be the roofing of the VFW Club. Members are urged to assist on this project and report at the Club.

Edgar Kief reported on the project assigned to him. Plans are completed for the decorating of a float as an entry, and all assignments are in readiness for the GI parade to be held on Saturday night during the King Korn Carnival.

VFW posts in various sections of the state will be represented at this parade.

The membership drive is in full swing. Any comrade who pays his dues prior to Nov. 11 will be given one chance to win a one week paid vacation to Lake Okoboji, Iowa, for himself and his family, up to 3 children. This is the department program.

Church's 80th Birthday Marked

Sunday, the 80th Anniversary of the Elmwood Christian Church was held.

Many old friends returned to worship and celebrate at the church of their childhood and youth. Some of the memories of past had been changed with the remodeling done in the last few years.

The Church history had been compiled and was read. This helped to recall names of former Ministers, Elders and Deacons of the first Church and the years following. Organ concerts gave the people time to meditate as well as enjoy music.

A display included old pictures of the Church, members of former years, of scenes in Elmwood, Sunday School cards and papers, Bibles, books, the first Church banner which was hand embroidered and old clothing and jewelry.

There were programs, speakers, cafeteria supper and basket dinner. Climax of the celebration which was the cutting of the anniversary cake topped with the replica of the church in its natural coloring.

Scholarships Awarded at UN

Dan Wehrbein of Plattsmouth and Larry Hammer of Greenwood are among 41 College of Agriculture students who have been awarded scholarships for the current school year. Each is recipient of a \$500 Rogers Memorial Scholarship.

Eagle Dorcas Society

EAGLE (Special) — Eagle Dorcas Society members of Immanuel Lutheran Church met Sept. 6 at the church.

Pastor Prange read scripture and led in prayer. The Topic Discussion on "Lutheran Secondary Schools" was presented by Mrs. Elmer Umland.

The President appointed this nominating committee. Mmes. Claud Gerhard, Fred Schuelke and Geo. Wulf.

The Society members planned a food and bake sale for Nov. 4 at the Eagle firehouse.

Mrs. Clyde Althouse was hostess for our meeting. The October meeting will be in the afternoon. The Topic Lesson will be taken from the Lutheran Women's Missionary League quarterly with Mrs. Elda Schroder, leader. Hostess will be Mrs. Herbert Umland. — Mrs. E. Schroder, reporter.

Thursday, Sept. 21: 7:30 p.m. Council of Administration meets.

CAPITOL CORNER

Washington, D. C. (Special)—American trade continues with Cuba . . . and the U. S. taxpayer's dollars continue to flow into Cuba. Here are the sad facts:

1. Just this summer, American shipments to Castro's communist regime included a reported 42 diesel engines adaptable for use in military tanks and \$400,000 in machinery and other vehicles. These exports were made despite a partial economic embargo placed last year against all shipments to Cuba except foodstuffs or medical supplies.

The Administration has the power to stop all U. S. shipments to Cuba. Yet the State Department recently opposed a bill which would establish a complete embargo on shipments to Cuba.

2. International organizations, financed to a great extent by the U. S. taxpayer, give aid to Castro's regime.

Example: The UN Special Fund granted \$1,157,600 to Cuba for what was called "an agricultural research program." The U. S. taxpayer contributes 40 per cent of the funds for this organization.

Example: The Pan American Health Organization is providing 32 Russian jeeps to Cuba for a so-called malaria eradication program. (Can we be sure that the jeeps will not be used in Castro's communist army?) The U. S. taxpayer contributes 66 per cent of the budget of this organization.

Example: This same Pan American group awards fellowships to various persons upon the recommendation of their own governments. We can imagine who gets recommended by Castro's minister of health for this program. The U. S. taxpayer again, pays 66 per cent of the cost.

Yet Secretary of State Rusk—in committing this country to pay a large part of the \$20 billion Alliance for Progress for Latin America—claimed none of the U. S. money would go to Cuba. It seems to me Cuba is doing pretty well right now.

\$34,733 Bid Taken on Patricia Heights Paving

The City Council Monday night accepted the engineer's recommendation and took the bid of \$34,733.82 by Atkinson Transit Mix, Omaha, on more than 2,300 lineal feet of street paving in Patricia Heights Addition in south Plattsmouth.

The bid was low among four on 5-inch reinforced concrete for more than two blocks of Patterson Avenue, alongside the addition and Debra and Scott Streets and Roger Circle within Patricia Heights, being developed by A. B. Rogers.

Bids ranged to \$39,818. The engineer's estimate was \$35,142. The project is to be started within 30 days of the contract date and completed within 30 days thereafter.

In other business: The Council approved plans and specifications for six more paving districts and set a letting date for Sept. 29. The districts are 153, 154, 156, 157, 158, and 159.

A petition signed by five parties objecting to proposed improvement of Whitman Avenue

at the end of North 6th Street prompted the Council to drop the project.

A petition was received to close an unopened half-block of street, 3rd Avenue from 8th Street to Chicago Avenue. The Council ordered an ordinance prepared.

Six bids were received on a road grader for the Street Dept., ranging from \$12,369 to \$15,698. The Council plans to decide on the bids at a special meeting Saturday.
