Frank Harmer Dies; Victim of Accident

AVOCA (Special)—Frank Harmer, Lincoln, former Avocan, was victim of a car-pedestrian accident in Lincoln Saturday morning. It was thought at first he had a minor hip injury, was taken to St. Elizabeth Hospital where he died a few hours later. His brother Walter here survives. Frank lived west of Avoca and made his home here until 20 years ago when he moved to Lincoln.

It's Winter Now

Anyone who has any doubt about winter being here (who would after 8 inches of snow and 12 below zero?) can take the word of Harold Edwards of Plattsmouth that it's true.

The cold wave following the two big snows finally drove the last of the migratory flock of geese south from here. Upwards to 15,000 Blues and Snows had called the Waterfowl Management Area (which Edwards manages) on the river bottom temporary home for several weeks.

Their number dwindled to about 4,000 last week and then the first of this week all but a few of those left for points south. They were content to stay, evidently, as long as their paddling kept open the water on the artificial lake on the game refuge.

Isn't 12 below enough to slow down anyone's paddling?
