The CC . . .**

By R. R. Furse
Chamber of Commerce Mgr.

Date for the Annual Chamber of Commerce Banquet has been set for Thursday evening, Jan. 11, 1962, at 6:30 p.m. We hope all business people and Chamber Members will reserve this night, together with their wives, or husbands, and plan to attend.

This year's, we believe, will be an outstanding banquet. Mr. Orville Roberts, of Omaha, a past manager of the Omaha Chamber for 17 years, will be the evening's speaker.

We can assure you that he will have a message of great interest to every citizen of this community—with other entertaining highlights added, we can assure everyone their evening will be enjoyable and well spent.

Another feature we have said little about as yet will be the menu. If our local butchers can come up with the right answers (and we're sure they can) there will be a little something different on your banquet plate to tickle your taste buds. After devouring this tasty morsel you'll just know the world can't be all wrong.

Santa Claus played host to 2,534 kids at Santa Land during the pre-Christmas shopping days and evenings, in spite of cold weather and severe snow storms. This compared very favorably with past years.

This office has been very busy this week trying to close the books on what appears to be quite a successful year for your Chamber. Numerous programs have been promoted, special events sponsored and supervised by this office, and hundreds of contacts made with newcomers and visitors to the city. The Chamber office is a very busy place, believe it or not. Right now every spare minute is being spent on preparing the Annual Report, so . . .

We'll cut this short at this point and just take time out to wish each and every one of you a Very Happy New Year's Day and the most successful year of your experience in 1962.
