BOTH MOTHER AND FATHER

Warroad, Minn. — Since September, 20-year-old Rita Foster has been both mother and father to eight younger brothers and sisters.

The children's father died of cancer in September and their mother died a year ago of the same disease.

While nearby relatives would have taken the children, Rita prefers to take on the responsibility and try to keep the family together. An aunt looks in on them occasionally to see that they are getting along all right.

NEW USE FOR SALT

Berlin — The Communists are blaming an American radio station for the recent shortage of salt in East Germany.

The official Communist daily, Neues Deutschland, accused the radio station RIAS in the American sector of quoting "so-called scientists" as saying that one should bathe in salt and put it on one's head in order to get protection against atomic radiation.

It is reported that the people are buying and laying away supplies of salt.
