## Fender-Benders Reported Here

Several fender-bending traffic accidents were reported to police here the past few days, some blamed on snow covering.

Monday, before the storm, Gary A. Hinsley, 21, of Kansas City, just discharged from service at the Louisville Missile Base, suffered a cut lip and nose and Leonard W. Lutz, 50, of Plattsmouth a neck injury in a collision on Chicago Avenue.

The accident occurred in front of 618 Chicago Ave. as Hinsley drove south. His 1957 Ford struck the 1960 Studebaker of Lutz which was parked headed south. The police report said Lutz could not pull onto the shoulder because of mud.

Hinsley struck the other car in the rear. Hinsley was taken to Offutt Air Base Hospital. On release, he was arraigned in Police Court here, pleaded "guilty" to a charge of driving while intoxicated and was fined \$100. His driver's license was suspended for six months.

Damage was estimated at \$350 to Lutz's car, \$700 to Hinsley's.

In other accidents: Monday—A 1956 Ford driven by Melvin E. Wilson, 25, Plattsmouth, backed into a 1961 Chevrolet owned by Howard J. Austin. Damage was \$202 to the Ford, \$100 to the other. The accident was in a parking lot.

Tuesday—A 1952 Oldsmobile driven by John E. Liedel, 23, of Hill City Trailer Court and a 1959 Ford driven by Donald T. Stalwick, Plattsmouth, collided at the intersection of the Cedar Creek Road and 21st Street, damage \$100 to each; a 1955 Pontiac driven by Jimmy Brant, 16, South Side Trailer Court, and a 1956 Plymouth driven by Gary Lockhart, 32, Plattsmouth, collided on Main Street near 7th.

Damage \$30 to the Plymouth; a 1957 Chevrolet driven by Frank E. Fitzpatrick, 31, Murray, collided with a parked 1957 Ford owned by C. B. Miller, Plattsmouth, when Fitzpatrick's car skidded as he came down 9th Street hill, damage nearly \$300 to the Chevrolet, \$50 to the other.
