## Letter Replies To Comments On Incident, Law Enforcement

Mr. Editor:

This letter is in reply to stories being circulated, including one in a publication, concerning an Elmwood incident.

I feel that the information given, in most part, was evidence for the Court to hear and rule on in judging the case.

I feel that the criticism leveled against the County Sheriff's Office and the Nebraska Safety Patrol was not supported by facts nor justified.

I would therefore like to comment on the reference to the law enforcement.

The stories say in part:

1. "The Lincolnites were held by the Elmwood residents until the arrival of Sheriff Solomon approximately 1 1/2 hours after he was called." "The Highway Patrol was also called but they did not appear until after the Sheriff had left with the prisoners for Plattsmouth."

At the time we received the call, the night deputy and I were assisting a State Trooper near Murray in a search for two youths who had taken to an open snow covered field, in light dress, to avoid being questioned by the Trooper. Our concern was for the safety of the youths in the sub-freezing weather and the security of the surrounding residents.

At 9:27 P.M. March 3, the records of the Lincoln Telephone Office shows that the first call was made to the sheriff's office. The call from an Elmwood roller rink said, "There are a bunch of kids down from Lincoln and we expect trouble and would like to have the sheriff here about closing time at 10:30."

At 9:45 P.M. a second call was booked from Elmwood to the Sheriff's Office in which the caller advised that a fight had developed and that the sheriff or patrolman was needed.

At that time the State Safety Patrol stations both in Omaha and Lincoln knew by monitoring the sheriff's calls that officers were enroute to Elmwood.

The Patrol radio log at Lincoln indicates that their call was received around 9:33 P.M. from Elmwood.

At 10:09 P.M. the Patrol's radio log indicates that a conversation was being carried on between the Patrol office and Sheriff Solomon's car by radio as he entered the north edge of Elmwood.

The Patrol radio log indicates their last radio contact with Sheriff Solomon was at 10:24 when he was five miles north of Elmwood enroute to Plattsmouth with nine Lincoln youths.

Bearing with us that we were on emergency call at the time we received the 9:45 call that a fight was in progress; also take into consideration the icy and unsafe conditions of the roads for fast driving on the night of March 3, and still it took only 24 minutes to travel the 26 miles, give or take a few minutes. This is far from the 1 1/2 hours given as answering time in one account being circulated.

2. "According to those present at the time, they saw no attempt to search either the prisoners or their car. They further stated they were not allowed to present version of what happened."

When we arrived, the youths were pointed out and sufficient information was given to warrant their return to Plattsmouth for questioning. There were approximately 80 to 100 persons gathered about with feelings running high among a few of them. Words of threats of violence were still being made so in view of the tense conditions the youths were loaded up and moved out. Just north of Elmwood we stopped and regrouped the youths.

It was impossible to conduct an on-the-scene investigation at that time, so persons having information were told to present it to the County Attorney Sunday and again on Monday calls were made by the sheriff's office to make sure all witnesses would be present at the County Attorney's office Monday morning, prior to charges being filed.

A search was made of the youths and their car when they were booked at the County Jail.

3. "Confusion about what happened to the youths from the time they left Elmwood until Court time Monday morning."

The youths were taken to the sheriff's office questioned and statements taken. Two youths requested to see a doctor and they were returned to the County Jail from the doctor's office at 1 A.M. Sunday. At 10 A.M. Sunday morning the youths were released from the custody of the sheriff's office at the Court's direction and told to report back for Court Monday which they did.

4. "A Lincoln youth shoved and tripped an Avoca youth. When the Avoca youth complained he was struck about the face."

This of course is for the Court to decide. The story of the Avoca youth does not back up the account. The Avoca youth related

to the County Attorney and others that he was involved in the tripping incident and it was the Lincoln youth who ended up on the floor. The Avoca youth further stated that he walked over to apologize and offer assistance to the Lincoln youth and that is when the fracas started.

Elmwood has many visitors from Lincoln but these youths stated it was their first trip to Elmwood. In the past youths from the Lincoln area have caused trouble in the West end of the County and in Elmwood. Records of the Sheriff's office well indicate that much policing is done in the Elmwood area. And I know the Safety Patrol likewise to do a lot of work in that part of the county.

Completion of the two missile sites in the Elmwood area will possibly necessitate additional policing in that area and at that time Elmwood may have to furnish a part or full time officer to police their own Village.

Possibly a fourth or more of the Sheriff's current budget and a like amount of the County Jail budget is being used to support a night deputy in the County, for work mostly in the Western part. The three men in the sheriff's office, work seven days a week 10 to 15 hours a day with many sleepless nights to police the county's 450 square miles with it's 18,000 citizens. This plus tax collection, health enforcement, trailer check, cabin policing and dozens of other things that citizens have come to seek and expect from the Sheriff's Office have taxed the department to its limit.

Tom Solomon, Sheriff  
Cass County, Nebr.

WEEPING WATER—Speaking at the Federal Land Bank Association meeting in Weeping Water, March 6, Fred W. Gilmore, president of the Union Stock Yards Company of Omaha, explained to the 300 members and guests the operations of the Stock Yards and emphasized the importance of Midwest farmers having a central marketing organization such as the one he represents.

As a sidelight, Gilmore commented on his experiences while on a three-month assignment in Ireland while serving as deputy governor of the Farm Credit Administration at Washington.

At the business meeting in the morning, the association manager, Harold C. The annual report of directors was given by Walter C. Reimer of Syracuse.

A nominating report prepared by Calvin Carsten of Avoca and Ed Schutz of Otoe was accepted. Following nominations from the floor, a ballot was taken resulting in the election of Walter C. Reimer of Syracuse to serve for a three-year term.

The invocation was given by Rev. S. P. Hackley, pastor of the Methodist Church of Weeping Water. A steak dinner was then served by the WSCS of the Methodist Church of Weeping Water.

A male quartet composed of Dutch Rikli, Mark Stock, Verle Stock and Rueben Stock, accompanied by Mrs. Oneatta Rikli, all of Murdock, provided vocal music.
