They have 19 grandchildren and 3 great-grandchildren. They lived around Eagle, Elmwood, Weeping Water and Raymond.

They were married in Lincoln April 10, 1912.

TOGETHER IN DEATH

Jackson, Tenn. — Having been married for 58 years, an elderly couple died the same day. C. H. Radford, 88, died in the morning and his wife, 86, died in the afternoon of the same day. They were buried side-by-side.

Nehawka Students Take Trips

NEHAWKA (Special) — The third and fourth grades, Mrs. Graydon Duncan, teacher, will make a field trip to Lincoln Friday where they will visit the state capitol, the state historical building, and Morrill Hall. The mothers, who will assist Mrs. Duncan are Mmes. Deane Nutzman, Keith Hostetter, Ivan Hansen, Elmer Ross, Ed Stanley, Louie Allgayer, Leslie Behrens, Earl Nolte and John Barkhurst.

Mrs. Orville Hunt's fifth grade will go the same day and will visit the Historical building and Morrill Hall. Mothers of the pupils, who will assist Mrs. Hunt are Mmes. Victor Ross, Oscar Brandt, Clifford O'Connor, Arthur Johnson and Glen Jones.

Both rooms will take the school buses for the trips.

The 45th annual high school state Vocational Agriculture judging contests will be April 12 and 13 at the University of Nebraska College of Agriculture.

In preliminary registration, 124 schools from all parts of Nebraska have submitted 2280 entries in the 14 events scheduled, according to M. G. McCreight, assistant professor of vocational education and director of the contests.

The event will include contests in poultry judging, crops, farm management, dairy products judging, dairy cattle selection, dairy management, meats judging and identification, carpentry, tractor maintenance, soil conservation and farm machinery. All events will be held on the Ag college Campus except the Meats judging and identification contest, which will be held at the Hormel packing plant at Fremont.

Winners in the dairy cattle selection and dairy products judging contests will attend the national contests at Waterloo, Iowa, and students winning in meats, poultry and livestock judging contest will compete in the national contests at Kansas City, Mo.

The state event is sponsored by the University of Nebraska College of Agriculture.

The 34th annual convention of the Nebraska Association of Future Farmers of America will be held at the same time.

Twenty members of the Nehawka F.F.A. chapter and their advisor, Myron Schoch will be among those taking part in the three day event.

\$250,000 to VA In Nebraska for Direct Home Loans

Announcement has just been made by the Veterans Administration that \$75,000,000 will be distributed to field offices on July 2 for the purpose of making direct home loans.

A. H. Duxbury, VA Regional Office Manager in Lincoln, said he was informed today by VA's central office in Washington that the amount of direct loan funds allocated to Nebraska veterans will be announced in May. At that time, he said, his office will be authorized to furnish direct loan applications to veterans on the waiting list in advance of the distribution of funds on July 2.

The VA's decision to make \$75,000,000 available to field offices in July was made after a continuing review of direct loan activities since October 1961.

Duxbury announced that \$250,000 is now available for direct loans in Nebraska and that additional allocations will be made during the fiscal year, commencing July 2, 1962, but that the amount and timing would be determined at a later date.

During 1961 the VA made 508 direct loans to Nebraska veterans for a total of \$5,181,949. These loans were made to veterans residing in rural areas and in small cities and towns where GI financing by private lenders historically has not been generally available.

As of January 31, 1962, the VA had made 2,851 direct loans, totaling \$24,473,794 to Nebraska veterans. Direct loan borrowers have proved themselves to be good credit risks. Since the program began in 1950 only 2 of the direct loans in Nebraska had to be foreclosed.

Happy Helpers

The Happy Helpers 4-H Club met at the home of Susan Gerdes. Cheryl Elston was a visitor.

Two members were absent, Sherry Group, president, and Elaine Terryberry. Shirley Hennings was appointed vice president. The former vice president, Anita Glazebrook, moved to Ashland.

After the meeting, leader Mrs. Forrest Engelkemier gave two demonstrations, "How to Set in Sleeves" and "How to Make Hand Button Holes."

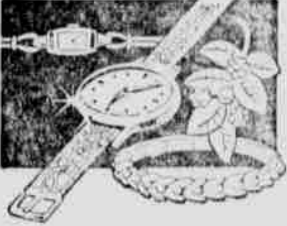

Shirley Hennings demonstrated making machine button holes. Susan Gerdes and her mother served lunch. —Theresa Engelkemier, reporter.

RING IN A SANDWICH

Buffalo — Biting into a sandwich she ordered in a restaurant, Barbara Boergers, 19, found a gold wedding band.

Betty explained to the restaurant employees she would like to have a gold band but would like to receive it another way.

One application of aldrin controls soil insects for a full season, can pay for itself up to 20 times over.

Increase corn yields with aldrin granules

If you're shooting for maximum corn yields, you've got to control soil insects. One aldrin application controls soil insects all season long.

With soil pests out of the way, seeds are able to germinate, plants get off to a good start in life. Protected healthy roots can draw available moisture and nutrients as needed

for their most productive growth. Result: Better quality corn—yield increases of up to 20 bushels per acre.

Aldrin granules are easy to apply with fertilizer spreaders, cyclone-type seeders, or chemical broadcast and row applicators.

We have aldrin granules ready for immediate delivery. Come in or call us today.
