Maximum Profits From Minimum Tillage

Large numbers of corn growers throughout the Midwest are switching to minimum tillage. Equipment and labor savings are great with this relatively new corn production method. This cultural practice is gaining in popularity largely because of the development of excellent new chemicals for weed control.
Modern herbicides are applied at planting time and control weeds and grasses all season. Atrazine, one of the most popular herbicides for weed control in corn, has been largely responsible for the advancement of minimum tillage. The benefits from minimum tillage and Atrazine application include effective weed control coupled with the conservation of soil moisture and elimination of soil compaction.
Since cultivations can be drastically reduced or even eliminated, profits go up. Labor costs are lower, and with excellent chemical weed control yields are higher. Small wonder that more and more farmers are using minimum tillage to bring about maximum corn profits. Valuable information may be obtained by writing to Geigy Agricultural Chemicals, Department WN, Saw Mill River Road, Ardsley, New York, for their free manual on weed control in corn.

Paul Anderson On Missile Frigate

SEATTLE—Paul R. Anderson, fireman apprentice, USN, son of Mr. and Mrs. Ben Anderson of 510 South Sixth St., Plattsmouth, Nebr., is serving aboard the guided missile frigate USS Preeble, a unit of the First Fleet scheduled to visit the Seattle World's Fair between April 29 and 30.

In all, more than 3,500 navy-men will visit the fair, and the general public will be invited to visit the 13 ships scheduled to call at Seattle during the fair.
The \$80 million official international exposition will feature five "worlds of tomorrow"—the worlds of science, commerce and industry, art, entertainment and the world of "Century 21."

CHICKEN 'LITTLES'

LINCOLN — In the nursery rhyme, Chicken Little may have been so named because she lost so much weight running around proclaiming that the sky was falling. For others, weight may be lost in a more orderly fashion. And strangely enough chicken is a sound investment for the dieter. It provides a generous quantity of high-quality protein and is low in calories and fat, report University of Nebraska home economists.

The following were fined \$1 and assessed \$4 court costs each for overtime parking: Joseph Christianham, Ray Lanum, Roland Aldrich, Francis Slovicek, Howard Hinz and James Curry, all of Plattsmouth.

It's Been a Busy Spring In Growing Plattsmouth

BY R. R. FURSE

Mgr., Chamber of Commerce
Your Chamber of Commerce just completed one of the busiest months in some time. During April and the last week in March saw numerous activities including the Style Show, ARADCOG Choral Group, Easter Egg Hunt for kids, Athletic Banquet, final arrangements on the Summer Recreation Program, and submitted a comprehensive and detailed industrial survey of the area to a large corporation interested in this community.
During the month also, final organization was made of the Plattsmouth Industrial Development Corporation, permanent officers were elected, by-laws were prepared and approved. To date, 33 interested citizens and business people have purchased shares without solicitation. There is room for numerous others if this organization is to get off the ground and be prepared to do its intended job for this area. PIDC is just one more step in the long pull toward securing more industry.

The Plattsmouth Hotel corner scene of a disastrous fire about a year ago, was sold to DX-Sunray Oil Co., and a new modern service station will be erected on the corner. Construction is expected to get underway this month according to information given this office. Plans have not been made public, but representatives inform us it will be a building any community would be proud of.
Two other construction jobs of considerable importance are to get underway shortly, according to present plans. Ground has been purchased for still a third. It is hoped that official announcements can be made before many days pass. All will add a great deal to the economy of Plattsmouth and Cass County.

Team selections were made Monday night at the Chamber Office for the Summer Recreation Baseball Program for youths seven to 14 years of age. Junior Chamber of Commerce members are assisting with the cleanup and repair of the recreation grounds damaged in recent Missouri River flooding and will be ready for first games June 4. Nearly 300 boys have registered for this year's program under the direction of Ray Simons.
Arrangements have been completed with the Park Board for a tourist overnight stopping point in Garfield Park. An area is being prepared at the northeast corner where small trailers or tents can be accommodated overnight only. Electric service will also be available. Designation of this area at Plattsmouth is indicated on Nebraska's newest tourist map now in circulation throughout the country.
This might be a good time to remind members that "Duesdrive." Remember that your Chamber of Commerce operates on a very close budget and a small one. Pledges must be met promptly if the organization is to continue to function. Little can be accomplished if a major portion of a manager's time must be spent keeping the operation afloat financially.

Weeping Water

Mrs. and Mrs. Clayton Cooper and family were Sunday evening guests of Mr. and Mrs. Clifford Cooper. The children enjoyed an Easter Egg hunt.
Mrs. Rolland Cooper and new baby, Jeffrey Lynn came home from the hospital in Omaha on Monday afternoon and her mother, Mrs. John Kalasek of Plattsmouth will stay at the Cooper home for a few days.
Mrs. Harry Rock and two boys of Omaha spent Friday until Sunday with Mr. and Mrs. Amos Bates. Harry joined them on Saturday evening. Other Easter dinner guests were Mr. and Mrs. Carl Bauersachs and four children of Yutan. The children enjoyed an Easter Egg hunt with candy and other treats.
Amos Bates has been consulting a doctor several times in Omaha the past week, and went up again on Monday.
Mr. and Mrs. Walter Saxton and family were Easter dinner guests of Mr. and Mrs. A. I. Saxton at Burchard. They visited in the afternoon with Mr. and Mrs. W. G. Weebe and family at Summerfield, Kansas.
Mrs. Amos Bates was a Monday guest of Mrs. Clifford Cooper. Mr. and Mrs. Laurence Eldenmiller were Monday evening guests and Mrs. Norman Urwin and Alan were Tuesday evening guests at the Cooper home.
