## 'Cut Weeds' Notice Given by City

The City Administration today published legal notice for property owners to cut weeds in compliance with City Ordinance No. 859.

Should property owners fail to do so, the city will cut the weeds and assess the cost of machinery, labor and billing to the property owners, with a minimum billing of \$5.

The ordinance says it is "unlawful to permit weeds or worthless vegetation to grow on any lots, streets or alleys. . . . Property owners are responsible for cutting weeds to the center of adjoining streets or alleys."

Weeds must be cut twice a year, between June 1 and 30 and between Aug. 10 and 31.

## LETTERBOX

(Following is a copy of a letter sent to Sheriff Tom Solomon this week, and to The Journal.)

Dear Mr. Solomon:  
We would like to take this time and opportunity to thank you for the concern and interest you showed when our baby, Ronnie stopped breathing June 4. We appreciate your coming as quickly as you got our call. Thanks to your staff who got you right away, and for sending us on when the tire was low. We could not have done this by ourselves even to get him to the hospital as fast as you did.

We wish also to thank the telephone operator who got you staff on the phone.  
Many thanks to these fine people in Plattsmouth.  
Ray, Eleanor and Ronnie Ham

IN NEBRASKA the people cheered when they learned Congress had passed the Homestead Act, making it possible for them to get free land in the territory. Throughout the west the event was toasted with foaming steins of beer.

For then, as now, beer was the traditional beverage of moderation—light, sparkling refreshment that adds a touch of Western Hospitality to any occasion. Nebraskans have always enjoyed the good fellowship that goes with every glass.

TODAY in its centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality and propriety wherever beer and ale are served.
