## 'Stroke Rehab' Program for State Underway

The Nebraska Heart Association, during the summer months, is sponsoring three "Strong Rehabilitation" programs in the state.

The first of these sessions was held at St. Mary's Hospital in Nebraska City June 11. An interested and receptive group of over 70 persons attended this two-session program.

Included in the audience were stroke patients and members of their families, local physicians, nurses, practical nurses, aids and members of the community that were interested in the therapeutic advances being made to assist in the recovery of the stroke patient.

The program was split into two sessions of two hours — morning and afternoon. The first session included a physician who explained the medical aspect of the stroke and what occurs at the time of the cerebrovascular accident. He was followed by a psychologist, Mr. Herbert J. Larson of the Rehabilitation Center at St. Joseph's Hospital in Omaha. Also appearing on the morning program was Mr. John McGee, speech therapist at St. Joseph's Rehabilitation Center.

The two-hour afternoon session was conducted by a team of therapeutic experts from the University of Nebraska Rehabilitation Center at the Douglas County Hospital in Omaha. Members of this team included: Mrs. Lois Donovan, RN, rehabilitation nurse; Mrs. Marion Labusohr, occupational therapist and Mr. Jack Waugh, physical therapist.

This team described and demonstrated the therapeutic devices and aids that are used at the rehabilitation centers in assisting with the recovery of the patient. Question and answer periods were set aside following each presentation.

The genuine interest of the audience was accentuated by the number of questions directed to the speakers during these periods.

Other "Stroke Rehabilitation" programs are being planned for North Platte July 27 and O'Neill, Aug. 9.

The Nebraska Heart Association "feels that programs of this type are of extreme importance in expanding the Public Education Community Service policy of the Association. It is one of the ways in which Campaign-Fund monies are returned to the individual communities."

## Obituary

Mrs. Joe C. Simpkins

Verena Meier was born August 15, 1880, in Zurich, Switzerland, daughter of Jacob and Verena Amberg Meier and died June 13.

She came to Falls City at the age of three. There her mother died, but a step-mother raised her brother Jake and her.

The family moved to Louisville where she met and married John Olson Sept. 11, 1901. They had four daughters—Dorothy, Inez, Hazel and Beatrice. Mr. Olson died Nov. 11, 1923, leaving Verena with the young daughters to raise.

After her children were married she was married to Joe C. Simpkins Sr. of Reading, Mass., Oct. 7, 1945. He was a childhood friend. They enjoyed many years together until the health of both began to fail and they decided to spend their remaining years with their own children.

Verena or "Phronie" as she was called had many hobbies cooking, painting and all kinds of handwork, until her eyesight failed.

She joined the Christian Church in 1904. She furnished flowers for all church events for many years.

She belonged to Rebekah's Royal Neighbors, and Degree of Honor fraternal organizations.

She is survived by her husband Joe; four daughters, four sons-in-law, five grandchildren and five great-grandchildren.

**Stove Creek Rustlers**  
The Stove Creek Rustlers 4-H Club met at the home of Glenn Miller on June 20 at 7:30. A demonstration on hog trimming was given by John and Nancy Miller.

The meeting was called to order by Vice President, Theroh Bornemeyer. Roll call showed 10 present, 4 absent, and 10 visitors.

Discussion was centered around 4-H Camp and the County Fair.

A demonstration on "How to Make a Salt Block Holder" was given by Merlin and Onalee Kutz. Folders on how to make them were given out.

A demonstration on controlling flies was given by Clayton Miller.

Mrs. Miller served lunch.—Nancy Miller, reporter.

## TIME FOR A CHECKUP?

You wisely have had your car checked over at regular periods because you know that care prolongs its life. But how long has it been since you had a checkup on yourself? Your body, like a motor, requires periodic inspection and tuning up to keep it from suffering "breakdowns" that could shorten your life. See your doctor — soon.
