**Water Safety  
Instruction Set  
At Ashland**

A 30-hour water safety instruction course will be given at LinOma Beach, Ashland, through the Ashland Chapter of the Red Cross the week of July 30 through Aug. 3.

Edward R. Udlock, First Aid and Water Safety summer representative for Nebraska, will be instructor.

This is an opportunity for the Cass County Chapter to obtain instructors for the water safety program.

It is scheduled late enough that participants will have completed their training in a senior life saving course beforehand. All participants must be at least 18 years of age.

As this is the only such course scheduled in this vicinity this summer, it is hoped that it will be possible for the Cass County Chapter to have a representative or representatives attend.

Anyone planning to attend should write Mrs. Robert Fricke, Water Safety Chairman, Ashland Chapter, 506 N. 12th Street, Ashland, by July 27.

The cost of transportation is a legitimate expenditure of Red Cross funds, officials said.

**Open House  
At 'The Hutch'**

MURRAY (Special) — There was "Open House" at The Hutch, residence of Rev. Howard B. Hutchman July 23. The weather was favorable.

Total attendance, counting all present, young and old, was 40. There were afternoon and evening hours. A devotional period was observed at each session.

The afternoon leader was Rev. Hutchman who read from Malachi 3. The evening leader was the United Presbyterian pastor, Rev. Joseph Barr, who read on the words, "They shall mount up with wings as eagles, they shall run and not be weary, they shall walk and not faint." Mr. Barr observed that it is in the daily plodding that we most feel the need of Divine Grace.

**Catfish Breakfast  
Helps in Batchin'**

One day last week, two "prominent fishermen" of the Myriad Community treated themselves to a catfish breakfast, in the absence of their vacationing wives.

Harry Nielsen brought the catfish to the home of C. L. Wiles, better known as "Ted," who "proved himself a 'tip-top' chef when he turned out a platter of perfectly fried catfish."

(Continued from Page One) 1960 it has gained to a membership of 150 and a Sunday School Enrollment of 180, with about 140 worshipping at any given worship service, on Sunday morning.

In 1954, the Southern Baptists in the USA numbered 30,000 churches. In that year they launched the 30,000 Movement in this country. The "30,000 Movement" was an attempt to start as many Southern Baptist churches in the decade 1954-1964, as it had started in the prior 140 years of its existence.

So for the past eight years Southern Baptists have been rapidly establishing churches, all across the nation and particularly in the northern half of the United States, where before there were almost no Southern Baptist Churches.

The Plattsmouth Baptist Church is one of those "30,000" new churches which the convention hopes to have established by 1964. This will bring the total number of Southern Baptist Churches in America to over 50,000 if the campaign is successful.

Six years ago there was no Southern Baptist Church in Nebraska; today there are 18, and another will likely soon be started at York.

Southern Baptists Are America's largest Baptist convention with a membership of over 10,000,000, as compared with 2,000,000 in the American Baptist Convention and 150,000 in the Regular Baptist Convention.

The people of the Plattsmouth Baptist Church hold membership in this great convention, supporting not only its missionary program, but all of its great hospitals, Universities, Seminaries, Orphanages, etc.

In fact, the Plattsmouth Baptist Church not only supports the Southern Baptist Convention, but it also receives support from the convention. The funds from which the building was built were provided by the Home Mission Board of the Southern Baptist Convention.

Although the building was built by the J. L. Hill Construction Co. of Plattsmouth, the people are doing all of the finish work on the church, led by Max Cameron, 1624 Thayer St., who is the Chairman of the building committee.

Mrs. Florence Oldham Wolman of Houston, Tex., gave the equipment for the building which consisted of 164 theater seats, 100 folding chairs for the Junior-Intermediate Department, and 30 folding chairs for the beginner department of the Sunday School.

The Plattsmouth State Bank donated most of the building's interior doors. There have been many other donations too numerous to mention of which the Church is extremely thankful.

The members hope to dedicate the building as soon as they have completed the finish work.
