# 72 Attend Rikli Reunion

MURDOCK (Special) — Seventy-two relatives of Arthur Rikli Sr., deceased, gathered at the Ebenezer Evangelical United Brethren Church, Murdock, Aug. 4 to commemorate the memory of their parents.

Twenty-four relatives made the trip from Oklahoma, 13 from Illinois, two from Boise, Idaho, and 26 from Nebraska. In addition there were nine guests of the family. Four of the seven living children were present, the youngest of whom is 65.

The four Nebraska Riklis, living in and around Murdock, entertained the guests in their homes Wednesday through Sunday.

Ebenezer Church is the logical place for such a reunion, because the church was constructed on the last home site.

Following a baked ham dinner prepared and served at the church, a short program was given, with Donald Rikli as the chairman. It opened with a hymn. Mrs. William Rikli had charge of devotions. William Rikli welcomed the guests to the reunion. The chairman introduced the families to the relatives for the benefit of the younger persons attending.

The new-found family of Rikli relatives in the U. S., Mr. and Mrs. James Cairns who traveled to the reunion from Boise, Idaho, were the highlight of the reunion. They are descendants of the same great-grandfather of Arthur Rikli, Friedrich Rikli of Wangen, Switzerland, born in 1795. The new-found relatives reported a descendant, Amella Moser, a wife of one of the relatives, who was the "Jane Addams" of Switzerland about 1855.

The Rikli children under 15 years of age sang and Vernon Rikli sang a solo. A trombone-saxophone duet was played by the Gewekes, Donald and Jean.

The Rev. Orville Matzke, pastor of the church, spoke briefly.

Leo Rikli had prepared copies of a photo of the parents (or grandparents) of those attending and he presented these to the families and gave a brief eulogy and memorial.

An exhibit of Rikli memoirs was prepared on the stage of the church basement.

A hymn closed the program. Recreation followed on the school grounds. The group returned to the church for the evening meal.

In the evening, the Rikli Hot Shots played the Murdock Middlets on the ball diamond. The Rikli clan retired to the Leo Rikli home for cake and homemade ice cream on the lawn.

The next reunion will be at Binger, Okla., in two years.

Mrs. Louis G. Petersen of Santa Monica, California visited from Sunday until Tuesday with Mr. and Mrs. Herbert Petersen and Ronald.

**Something you should think about if you're about to buy a truck:**

If all trucks were built the same way, cost the same to keep up, were worth the same at trade-in ... then probably the price tag would be your only concern. It can't be, of course, because some trucks have more quality than others. And marks of quality are the real keys to low cost.

Chevrolet trucks, for example, have double-wall construction, which gives bodies and cabs more strength. Cabs are insulated against heat, cold and noise. A big part of road shock, which shortens truck life, is damped out by Chevrolet's suspension system; it also makes riding in the truck a pleasure. Pickup bodies and cabs are separated to eliminate stress between them.

Value such as this has induced more people to invest in Chevrolet trucks every year since 1937.

This can be a good time to buy a modern new Chevrolet truck

Late summer traditionally is the season for all-around savings on a new Chevrolet truck ... selection is still good ... deliveries are prompt ... and Chevrolet dealers are doubly anxious to put you into a new vehicle in order to make way for next year's models. Coupled with the efficient performance a new Chevrolet truck will give you, it seems evident that you couldn't buy at a better time.

Come in and take full advantage of it!
