This was the first store operated by Morris Newman—Pioneer Nebraska Grocer. His old fashioned country-type store was famous for low, low prices and friendly courteous service.

There have been many changes since Morris Newman's day. His sons and grandsons have built 45 superstores in Nebraska and Iowa.

But some things remain the same. Today you'll still find the same friendly courteous service and low, low prices—the old fashioned things that have made Hinky Dinky famous.
