Injuries to Quarterback Bill Nettelmann and Halfback Dave

Reserves Bow In Iowa, 26-0

Plattsmouth High's football Reserves lost a 26-0 decision to Oakland, Iowa, High's varsity eleven Saturday.

Oakland scored on the second play from scrimmage and Plattsmouth was in trouble thereafter.

Tonight, the Plattsmouth Freshman-Sophomore team is scheduled to play Louisville here, weather and ground conditions permitting.

Nettelmann compounded a 12-6 football loss by Plattsmouth High at Crete Friday night and presented problems for this week's home opener against Beatrice.

The Carnival Week attraction will bring together teams which lost on successive weeks to a line-powered Crete eleven which now is a major factor in the Twin Rivers Conference chase.

The injuries to the Nettelmann brothers will complicate this week's preparations here. Bill today was listed as "doubt-

ful" for service Friday night. He suffered aggravation of a previous arm injury at Crete.

Dave was held out of the lineup on defense in the second half after suffering a bad bruise in the kidney area. He was expected today to be ready to play Friday but the extent of the injury was not determined.

As costly as those injuries at Crete were four fumbles the Blue Devils lost out of five they made and pass interceptions.

A fumble led to Crete's first score.

First, Plattsmouth's opening thrust after the kickoff was halted when Crete recovered a fumble on the Plattsmouth 25.

Then, after Crete had driven to the 13 and the Blue Devils had held on downs, Stan Ryechecky again recovered a Plattsmouth fumble, this one on the 27.

Crete scored in four plays, the last a 14-yard pass from Roger Douglas to Leon Muff. The kick for point failed.

Plattsmouth evened the score in the second quarter with an 80-yard drive.

Gene Noell got the ball for Plattsmouth with a pass interception on his 20.

Dave Nettelmann set up the score with a 48-yard run to the 10.

He got three yards each on two plays but Bill Nettelmann was thrown for a three-yard loss after bobbling the ball.

He hit Roger Lanum with a seven-yard scoring pass on the next play however for the 6-6 score. Marv Lancaster's try for point was no good.

Crete went 76 yards with the ball its next series to tally the winning points.

Plattsmouth held for two downs inside its 4 but Raphael Chrastil punched over from the one on second down. Muff's kick failed.

That was all the scoring but Plattsmouth held Crete off on downs on its 12 in the third quarter, then had to dig in when Crete recovered a fumble on first down on the 16.

Two Douglas passes were incomplete after the Blue Devil line had yielded only one yard on two plays.

The Devils marched from their 15 to the Crete 29 as the

third quarter ended.

Then, Dave got three to the 26 on second down, a pass was incomplete and Crete's good interior line stopped the Plattsmouth bid on fourth down three yards short of a first down.

Plattsmouth had to stop another Crete bid in the fourth quarter, a fumble recovery by Lanum on the 11 getting the Devils out of trouble. They didn't threaten after that, however.

Cheryl Pollard Won 21 Purple Fair Ribbons

Cheryl Pollard

NEHAWKA (Special)—Cheryl Pollard, daughter of Mr. and Mrs. Malcolm Pollard, won a total of twenty-one purple ribbons at the Cass County and Nebraska State Fairs. She also placed in other exhibitions.

At Cass County Fair her winnings were as follows:

In homemaking—purple on first year budget in canning, on three jars of canned fruit, and on three jars of vegetables; also purple ribbons on secretary book, cloverleaf rolls and skirt and blouse. She received a white ribbon on cinnamon rolls.

In the dairy division—she received a purple ribbon on her senior calf, one on two-year-old calf, on three-year-old cow, a purple on her dairy herd and on her showmanship in the senior division.

In poultry—she received a red ribbon on pen of hybrid pullets.

In Yard Beautification—her scrap book received a blue ribbon.

Her exhibits at the State Fair placed as follows:

Homemaking—purple ribbons on first year budget, on three fruits, on three vegetables, blue on secretary book, red on cloverleaf rolls and on skirt and blouse.

4-H Dairy—she won a purple ribbon and gold medal in showmanship, receiving a pair of gold Holstein cuff links; also purple ribbons on two-year-old cow, and three-year-old cow; the three-year-old cow, Myro Raven Mitzl, was also Grand Champion Holstein. Her Junior Dairy Herd also won a purple ribbon.

In the open class, she placed as follows: fourth on three-year-old cow, second place Nebraska Premium three-year-old and fifth on two-year-old cow.

She attended the banquet given by Gold's for livestock exhibitors.

At the 4-H Dairy show at Seward, she had a blue on senior calf and on 2-year-old cow, and purple on 3-year-old cow and on dairy herd. She placed first in showmanship and received a certificate from the Omaha Chamber of Commerce.

Cheryl is eligible to exhibit all of her dairy animals at the Ak-Sar-Ben Show in Omaha.

Triple B 4-H

LOUISVILLE (Special)—The final meeting of the year of the Triple B 4-H club was held at the home of Ricky Bond, Sept. 6.

Nine members answered roll call. Six of our members showed their fat beef at the Fair and won the following awards: Barry Parsons received a Purple ribbon; Bob Hike, two blue ribbons; Gene Wehrlein, two blue; Joan Wehrlein, one blue; Ralph Puls, one blue and one red; Rollin Terryberry, one blue, one red on breeding heifers.

Gene Wehrlein also received a purple ribbon on showmanship, and Joan Wehrlein won a blue on her showmanship.

Mrs. Bond served a delicious lunch at the close of the meeting. There will be no October meeting, so the next meeting will be Nov. 2nd. — Jim Mayfield, Reporter.

Wool Referendum Votes Due by Friday, Sept. 21

If you are eligible to vote in the referendum on the Wool Marketing - Promotion Program, get your ballot in no later than Friday, Sept. 21.

This last-minute reminder was issued today by Ivan G. Althouse, chairman, Agricultural Stabilization and Conservation County Committee.

To be "eligible," the producer must have owned sheep or lambs, 6 months of age or older, for any one period of at least 30 days since Jan. 1 of this year.

Balloting may take place — at the ASCS County Office serving the county where the producer's farm or ranch headquarters is located — anytime during the 2-week period through Sept. 21. The ballots may be cast either in person or by mail.

The chairman emphasized that the referendum will not affect the Wool Payment Program itself. This was extended for four more years under legislation enacted last summer.

The voting will determine whether growers want to continue financing wool and lamb market - promotion activities through deductions from the wool payments they receive. The market-promotion activities are carried out under an agreement between the Secretary of Agriculture and the American Sheep Producers Council, as authorized by law.

If growers vote approval, the agreement will be extended for four more years. To be approved, the agreement must be favored by producers having at least two-thirds of the volume of production represented by the total vote. Under similar agreements, in effect since the 1955 marketing year, deductions have amounted to 1 cent per pound from shorn wool payments and 5 cents per hundredweight from unshorn lamb payments. Deductions under the new agreement would not exceed these amounts.

Any producer who believes he is eligible to vote and who has not received his ballot should get in touch with the Cass ASCS County Office right away.

'Little Nothing' Dress Requires 'Something'

LINCOLN — This season's untrimmed, understated daytime fashions need the accent of jewelry to individualize them, says Miss Gerda Petersen, Extension clothing and textiles specialist at the University of Nebr.

The jewelry should be of good design and quality but need not be expensive.

The "little nothing" dress can become quite something with the addition of a carefully chosen necklace, a bold dramatic pin or coordinated bracelets and earrings.

A dramatic pin may be worn almost anywhere this season — on the sashed hip, the belt or the shoulder, to accent that indispensable little black dress.

Jewelry is the most personal of all fashions and it should express your own personality. Let the occasion, the type of dress, and your own size determine what you select, she said.

A Classified Ad in The Journal cost as little as 50 cents.

\$48 Stolen from Football Players

Theft of approximately \$48, from lockers of Louisville High School football players was reported to the Sheriff's Office.

The thefts occurred Wednesday evening, while the boys were out for football practice.

Two Louisville students told Sheriff Tom Solomon they had occasion to walk through the locker room, while the football practice was on, and heard noises among the lockers. Investigating they observed a man "about 50" who was a stranger to them, leave the locker area.

A firm doing construction work on the school also said they saw a stranger in the area Wednesday evening.

Omaha Market Hog Show Set Feb. 15

Fifth annual Omaha Market Hog Show will be held Friday, Feb. 15, 1963, according to R. E. Cunningham, secretary of the Omaha Live Stock Exchange and chairman of the show committee.

The show, to be held in the Omaha stock yards sales arena, will include a number of changes and innovations, but the FFA division of competition, introduced in the 1962 show, will be retained.

Other division's include one for registered purebred hog producers, and another for commercial producers. There will be separate rankings and prizes in each of the divisions, with champions ultimately pitted against each other.

Carass competition for prizes is also a feature of the Omaha event.

The show is sponsored by Omaha livestock market interests, including hog order buyers and major packers, with the University of Nebraska College of Agriculture and Iowa State University cooperating.

'Kitchen Image' Is Changing

LINCOLN—Two kitchen sinks or appliances on wheels might be a reality in the kitchen of tomorrow, reports Mrs. Jerre Withrow, University of Nebraska Extension housing specialist.

Women in New Jersey, New York and Connecticut want more mobility, lots of counter space, good lighting and new appliances to supplement standard ones. They also want an improved device for eliminating cooking odors.

The study, involving Eastern states, was reported in an electrical trade paper. Most of the women want their laundry area in a separate room adjacent to the kitchen. Others felt it should be part of the kitchen or near the bedroom and bath.

Since the kitchen lacks furniture mobility, the women suggested multi-purpose wall connections for water, gas and electric wires so that positions of appliances could be interchanged. Wheels under the range and refrigerator would facilitate moving and cleaning. Cabinets attached to tracks on the walls could be raised or lowered according to the homemaker's height.

Two sinks, including a small

one, would be convenient for washing vegetables and children's hands. A second refrigerator in a portable size could be moved from playroom to back porch for parties.

"Manufacturers are always sensitive and receptive to the wants and desires of consumers," added Mrs. Withrow. "Two of everything or even a second complete kitchen has been gaining in popularity. Don't be surprised if you can rearrange your kitchen before long. One design might be used for family meals, another for entertaining large groups," she said.
