**The Big Difference may not show when you sign up for car or home insurance**

**But you'll see it plain when you have a loss**

The Big Difference in insurance is the continuing, personal attention of an independent insurance agent. He's free to be on your side when you have a claim because he represents not one but several insurance companies. He'll help you get prompt, fair payment.

Who will make sure you get paid promptly and fairly if you sign up with some companies that sell insurance through their own salesmen?

As local independent insurance agents, we'd like to give you all the benefits of the Big Difference. Let us prove how much this can mean to you. Just give us a call.
