Plattsmouth High which push-ed Ashland around for a lot of yards Friday night ground out a tough tying touchdown and then used a break to score the winner in a 13-6 triumph at Ashland

Friday night It was the Blue Devils' second win in four games and was hard-won as several "walking wounded" were re-injured. Gene Lewis 0. Noell was carried from the field with a leg injury and others continued to play although bruised.

Ashland yielded grudgingly and its passing was always a threat despite pressure applied by the Devils.

The home team led at the half, 6-0, after scoring on a 24-yard pass from Clifford Scheel, the fullback, to end Richard Sch-

mouth's opening drive at its 23. first down. Terry Pallas, carried the ball 49 yards to the Devils' 16.

DODGE PRESENTS THE DEPENDABLES FOR 1963

INTRODUCING THE 1963 DODGE

Now a complete new line of cars in the low-price field. The 1963 Dodge! People who see it just naturally get carried away. Reasons? 1. The looks: Great! 2. The price: Low! Wouldn't you rather own a Dodge than other low-priced cars? 3. The room: Big! Notice how the roofline sweeps straight back. That means ample headroom for the people in back, not just the ones in front. Seats? Your choice of models with sofa style, buckets or fold-down center arm rest. 4. The upkeep: Low! Dodge is rust-protected. The body unitized. The brakes self-adjusting. A major grease job lasts 32,000 miles, an oil change 4,000. 5. The feel behind the wheel: Like nothing else! Five engines to choose from. Smooth-going torsion-bar ride. Low-friction steering. Chair-high seats. Nylon, leather-grained vinyls. There are several hundred more reasons why you'll be carried away. Your Dodge Dealer has 'em all. See him and drive the beautiful new 1963 Dodge,

INTRODUCING COMPACT '63 DART

At last. A compact that doesn't give anyone the sardine treatment. The 1963 Dodge Dart! Now everybody gets a fair shake on room. Note the roofline. It goes straight back. Result: Even rear-seat hat wearers are treated with deference. And so are those who like some action for a change. Dart's standard Six leaves run-of-the-mill compacts waiting and wheezing. Its optional engine (just a few bucks more) is the same way, only more so. Economical? Like you'd expect a compact to be! That's the whole idea. Dart's too roomy to be a compact, too darned thrifty to be anything else. Few compacts cost less than Dart. None offers the value, A unitized

body, for example, that's rust-protected, 32,000 miles between major grease jobs. Smooth torsion-bar ride, An alternator, A highspeed starter for fast, sure starts. Two series. Nine models. including two pizazzy converts. See your Dodge Dealer,
