Membership and Finance Drive THURSDAY, NOVEMBER 15, 1962

The Organization Committee from Mynard and the Board have secured the railroad lease. They have signed the contract for the elevator and warehouse. The construction plans are underway. Construction has started.

Last Spring's Drive netted over \$40,000.00, approximately 2/3 the cost of facilities, thus requiring that we have a drive for memberships and some \$20,000.00 additional investment capital.

We need a large number of Farmers to show their interest by buying membership stock. These membership shares will help the Board determine the inventory needed and the amount of other equipment for feed and fertilizer service.

CO-OP DAY THURSDAY, NOV. 15TH
GOAL — \$20,000.00

Volunteer Farmer Members will again contact Farmers in the Mynard area soliciting memberships and investments.
