**CORNERED**—The Ralston player with the basketball wasn't going anywhere important Friday night in the game against Plattsmouth. Roger Beverage and a teammate whose extremities only can be seen were in command of the situation.

THE PLATTSMOUTH, NEBRASKA, SEMI-WEEKLY JOURNAL  
PAGE FOUR Thursday, February 21, 1963

### Beverage's 215 Lead Devils

Roger Beverage's 215 points through 14 games for a 15.3 average lead Plattsmouth High's basketball scoring, according to figures compiled by P. J. Dingman, team statistician.

Dan Schultz is next high with 197 points and the third "big man" in Plattsmouth's offense. Roger Lacum, is third with 166. Bob McClanahan, troubled early by a football injury, now is in full stride and fourth with 66 points, most in the past month.

McClanahan leads in field goal percentage with .441 on 30 for 68. Beverage is second with .418. Schultz, third with .351 and Lanum fourth with .346.

Schultz leads the regulars in free-throw percentage with .664 on 77 for 116, although Leland

Pritchard is .688 on 11 for 16. Beverage is tops in rebounds with 162, followed by Schultz with 119 and Lanum with 101. Schultz's 19 assists are high. Butch McGraw has 13.

### Several Injuries In Accident Near Avoca Monday

Several persons suffered minor injuries in a two-car accident Monday afternoon at the intersection of U. S. 34 and the Avoca Spur.

Cars were driven by James Elliott, 63, Avoca, and William Mather, 25, Weeping Water. Elliott was crossing Highway 34 going north and Mather was driving west on the highway.

Elliott suffered chest and hand injuries and Mather, and four passengers in his car were reported injured by Sheriff Fred Tesch who investigated.

Mather complained of a neck injury; Mrs. Doye Dennis, 28, Weeping Water, of back and side injuries; Rusty Dennis, 4, a blackened eye and mouth injury; Toni Dennis, 6, suffered shock; and Earl Dultz, 25, Weeping Water, complained of knee and hip injuries.

Tesch said the cars were a "total loss."

### Tom Smith Visits Naval Air Base

PENSACOLA, FLA.—Midshipman Fourth Class Thomas W. Smith, son of the Walter H. Smiths of 624 North Sixth St., Plattsmouth, Neb., visited the Naval Air Basic Training Command for a three-day orientation tour beginning Jan. 24.

Tom Smith

The members of the Naval Reserve Officers Training Corps (NROTC) unit of Marquette University visited the School of Aviation Medicine, the survival exhibit, and took a demonstration flight in a training aircraft.

The tour was to aid the Midshipmen in selecting a career field when they are commissioned officers upon graduation from the university.

Midn. Smith, a freshman at the university, is majoring in journalism.

### PHS Strives for .500 Cage Record, District 'Seeding' This Weekend

Plattsmouth High this weekend makes its bid to regain a .500 won-lost rating and seeks a victory which would give the Devils a seeded position in the District Tournament.

Friday night, the Blue Devils are at Tekamah with games to start at 6:30 and 8.

The Varsity contest is doubly important for Plattsmouth. A win for the Devils will give them a chance to reach an 8-8 mark the following night.

And, it probably would make them eligible for a seeded berth in the District Meet at Nebraska Wesleyan University when pairings are drawn Saturday at the university.

If they're seeded, they'll likely be paired with Ashland, Auburn, Syracuse or Papillion in the first round.

If they lose Friday and are subsequently not seeded, they may draw Falls City or University High, among the top teams in the state in Class B, for the first game.

Saturday night, at 6:30 and 8, Plattsmouth plays here against Ashland in the final home appearance for its squads.

Friday at Tekamah, the Devils will be going against a team which has not been impressive overall this season—but one which defeated Plattsmouth, 50-41, in the first round of this winter's Ak-Sar-Ben Conference

Tournament. Admittedly, that was one of Plattsmouth's poorer games this season.

Ashland, led by Greenwood's Ken Carpenter who impressed at quarterback against Plattsmouth last fall, is not having one of its better years. But, it has defeated tough Wahoo and a week ago beat Papillion by 15.

Coach Lowell Johnson says his squad is in good shape for the weekend. He said Wednesday his starting lineup was doubtful, with contests still in progress for berths.

#### 4-H NEWS

The Cass Go Getters 4-H Club members met at the home of Arta Gentry Feb. 18 with nine members present. Arta was assisted by Nancy Lewis.

The hostesses gave a demonstration on how to make biscuits. Members discussed the materials to be used in various projects, and judged drawing arrangements.

Next meeting will be at the home of Linda Howard April 18. Requirements in Baking will be discussed at this meeting. Katherine Engelkemier, news reporter.

## HOW GOOD IS PLYMOUTH'S NEW WARRANTY?

Facts about our 5-year or 50,000-mile warranty\*

**DOES IT INCLUDE THE COST OF LABOR?**

Yes. There is absolutely no charge for labor and parts. For the entire life of the warranty, should any defect in material or workmanship occur on the parts covered by the warranty, it will not cost you one cent to have it corrected.

**DOES IT COVER EXPENSIVE PARTS?**

Absolutely! It covers the major power train components—the engine block and its internal parts, the automatic transmission and its internal parts, the rear axle—parts that would cost plenty to replace or repair.

**IS IT TRANSFERABLE WHEN YOU SELL THE CAR?**

Yes. As long as the car has been serviced at reasonable intervals according to the Plymouth-Vauxhall Valiant Certified Car Care schedules, the warranty can be passed on to the new owner. Think what that will mean to resale value of your car!

**MUST YOU SPEND MORE FOR MAINTENANCE?**

No. All that is required is the normal care that most car owners would usually give their car. Only one chassis lubrication is required for the entire life of the warranty. Other maintenance consists of inspections at reasonable intervals.

\*Your Authorized Plymouth-Vauxhall Dealer's Warranty against defects in material and workmanship on 1963 cars has been expanded to include parts replacement or repair, without charge for required parts or labor, for 5 years or 50,000 miles, whichever comes first, on the engine block, head and internal parts; transmission case and internal parts (excluding manual clutch); torque converter, drive shaft, universal joints (excluding dust covers), rear axle and differential, and rear wheel bearings, provided the vehicle has been serviced at reasonable intervals according to the Plymouth-Vauxhall Certified Car Care schedules.
