

Richard B. Russell, Senator (D., Ga.):

"I do not believe that the Russians are 10 feet tall. I hope we can avoid any nuclear war because it would kill tens of millions of Americans while we are eliminating them."

PRESENT PLAY

PERU—Students from Elmwood High School are among 11 high school groups who were to present one-act plays today at the District Speech Contest of the Nebraska High School Activities Association at Peru State College.

Elmwood was one of five in Class B play competition. Also entering individual events were students from Nehawka High School.
