Introducing: Mrs. F. O. Sand, Nehawka, Nominee for Nebraska Mother-of-the-Year

By RUTH MILLER Nehawka Special Correspondent

April 11, a group of 10 women gathered in Lincoln where they were presented orenid corsages and citations.

These women were some of the nominees and the winner of the title of Nebraska Mother of the Year.

They and the seven other nominees came from communities all over Nebraska, where neighbors had chosen to recognize them for extraordinary community spirit and family achiev-

Although it has been several left the Nehawka 4-H clubs, Mrs. Sand has never let her interest in our 4-H youth wane. She has given unstintingly of her time to work on committees concerned with awards and to attend special club occasions, giving encouragement just by her pre-

One feels that Mrs. Sand is sure of the value of the 4-H program and of the inate goodness of today's youth and is giving of her best toward the advancement of both.

Mrs. Sand has been busy in other ways too, participating in Maple Grove Extension Club, Nehawka Flower Club and the DAR, among others and keeping active in the work of her church For many years she has written the Nehawka News for the Plattsmouth Journal.

The Sands never neglect the esthetic either. Their flowers and gardens are known throughout the community, for the evidences of care and beauty to be found and Mrs. Sand's floral arrangements are as attractive in her home as they are at the various meetings, flower shows and in friends' homes where At Spring Tea they find their way.
