Mrs. Keller Gives Flower Arranging Tips at Meeting

Plattsmouth Garden Club members met with Miss Clara Weyrich Monday evening with Mrs. John Vallery and Mrs. A. W. Probst co-hostesses. Twenty-one members responded to roll call naming a favorite shrub.

Mrs. Marjory Cole, president, opened the meeting with "Spring Greetings of Flowers" and read clippings regarding flower garden displays one might visit during vacation.

Mrs. L. H. Hurst reported having visited the Iris Show in Omaha the day previous and it is claimed this was the largest and best showing of Iris ever held.

Mrs. W. L. Heinrich gave a brief description of Flower Arrangements made in connection with the District 13 Spring Conference recently held in Omaha.

The Club voted to buy the book Home Journal of Landscaping and Outdoor Living, authored by Richard Pratt, as their gift to our Public Library. Also voted funds to purchase one chair for the library.

Program Chairman Mrs. R. B. Keller gave a most interesting and instructive paper on Aids in Flower Arranging and how to make flowers last longer after cutting. She addressed her topic to Flower Arrangers in particular by stating—the flower containers used in this modern age are many and varied—Antique inkwells, garden hats, bean pots, shells and china cuts; driftwood, baskets, old tin molds, teapots, cups—a fan that folds; jewel boxes, scoops, mugs, sugar scoops and old stone jugs; pans, miniature sleighs, tin pails, to name a few. Mrs. Keller remarked "why they even use old brass scales—their ingenuity amazes—and she asked how come they don't use vases?"

She advised taking inventory of flower containers before deciding on an arrangement. Use vases with good lines and texture; plain ones are best. Mrs. Keller said "chicken wire, cut to fit, needle holders and an oasis-like green brick can be used for holders which are very necessary to the success of any arrangement." Sand can also be used satisfactorily. Other arranger aids are wire clippers, pruning shears, rubber bands and wires for the stems.

Mrs. Keller closed by saying "Remember flowers are gay and beautiful, and arranging them should be pleasant. Read to get fundamentals of design and suggestions and inspiration for arrangements—then with your own flowers for material, your vases or containers as a canvas, and your home surroundings as a background, create your own picture."

She gave many hints on how to keep cut flowers fresh and last longer.

Miss Alice Weyrich assisted her sister Clara in showing colored movies of flower, plant and animal life which had been taken by a brother, the late Emil Weyrich. Besides pictures of the Weyrich yard and gardens, many were taken on trips to Lake Louise and Banff in Canada, Glacier Lake, California, Wyoming, Colorado and other noted vacation spots which had been visited by the family.

A most interesting filming was the blooming of the amaryllis taken at fifteen minute intervals; also the rose and jonquil in these stages—from the first bud or earliest coming out of the ground to the finished bloom. The photographing of this development of the blossoming wonder of Nature was a work of art and showed much ability and study on the part of the photographer.

The evening closed with hostesses serving refreshments.

Mrs. Arthur Lambert won the door prize.

June meeting will be with Mrs. Frank Linder at which time a "Do It Yourself" flower arranging program is planned. An invitation has been extended Olga Rolf Tiemann of Westboro, Mo., to be guest at this meeting. Mrs. Tiemann is known for her writings in various publications.

It was decided to set aside an amount of \$10 for minor recreation equipment with Mrs. Wayne Green and Mrs. Lyle Forrest being appointed to consult with the teachers and procure the needed equipment.

Mr. Hays announced Mrs. Oscar Newsum was the KKK float chairman and stated any suggestions concerning the float be referred to Mrs. Newsum.

An impressive installation ceremony was held with Mrs. Wayne Green installing the following officers for the year of 1963-64.

President, Mrs. Raymond Smock; vice-president, Mr. Harold Craig; secretary, Mrs. Harold Wagner; treasurer, Mrs. Ivan Hill; Council Representative, Ralph Hill.

Two membership awards which were earned by the PTA were presented by Mr. Hays to the membership chairman and committee Mrs. Oscar Newsum and Mrs. Nash.
