

Library News

By Mrs. Mildred Stewart

May has been a very busy and happy month, especially for the upper-classmen, Juniors and Seniors. The Seniors spent a day in Lincoln, a Government trip. The Juniors were especially busy planning and carrying out their fine Banquet and Prom for the Seniors. The Seniors who are student library assistants made splendid use of their time with cataloging the last of this year's library books, fixing attractive Bulletin Boards. The Juniors fixed two Posters for the Library displaying caps and gowns and graduation time, one with the caption, "Congratulations, Seniors!"

The first week in May was the beginning of Family Week,

and Child Health Month. Honors Convocations were held for the Junior High, as well as for the Senior High. Principal York and Mrs. Stewart were the Inter-Room Original Oratory Junior High Judges, to select the seven highest scoring winners to compete in the Community Contest, which was to be held at the Gym, last Thursday evening.

The Librarian and Library Assistants have been especially busy checking books in and storing for the summer, the books and magazines. All the students have assisted in a splendid way, but bouquets are in order for outstanding help and assistance for Mary Ballain and Pat Jordan, Juniors; Juniors who perhaps should have achieved recognition were: Mary Hendrix, Rheda Boardman, John Major, Fay Garringer, and for the first semester, Connie Gwathen and Shirley Westead. Kathy Logg, a Freshman, has been very capable for the short time she has as-

isted, the past quarter year.

The use of the Library for the month of May is as follows:

Books on Biography, Literature, government, science, history, Applied Science, languages, Music, Sports, etc.	476
Reference books, as Encyclopedias, Almanacs, Atlases, Abridged Readers' Guide, Dictionaries, Twentieth Century Authors, Who's Who, Sears, Dewey, Standard Catalog, Douglas Handbook	833
Fiction	487
Magazines	1254
Total	3050

The totals for the nine months' school year is as follows: Books on the first section as for each month 7774
Books used for Reference 7178
Work Fiction and Short Story Collections 3995
Magazines 14063
Grand Total 42756

The Library Staff wishes to thank each and every one for a wonderful year, and trust that the usefulness of the Platts-mouth High School Library will
