

Bell Wins Open with 95; Blotzer Takes 1st Flight

Don Bell of Plattsmouth, winner of two tournaments in Nebraska earlier this summer, Sunday added the Eastern Nebraska Sand Green's Tournament title to his collection.

Bell called it a "scrambling" ascent to victory by three strokes over the 27-hole championship flight distance.

He carded 32-32-31-95 over the par 34-34-34-102 Plattsmouth Country Club course to come in ahead of Jerry Mangels of Plattsmouth and Ed Printz, Bell's golfing companions from Omaha, who tied for second at 98.

Mangels had 33-33-32; Printz, 32-33-33.

Sam Alexander, Omaha, who golfed with Bell and Printz, was the only other entry under 100. He carded 34-32-33-99.

Plattsmouth Country Club retained one other first-place trophy, won by Buzz Blotzer of Omaha, a club member since the course was opened. He won over Bill Heineman of Wahoo and Leonard Day of Omaha on the first hole of a sudden-death playoff of a tie at 71 for the first flight trophy.

Day took second by winning the second extra hole. Blotzer shot 38-33.

Other flight champions were Stan Mac of Omaha, 41-32 in the second flight; and Dick Hindman of Bellevue, 46-39 in the third flight.

The first nine-hole round of 99 golfers competing was selected by lot as the flight-placement round and the cutoff for the championship flight was a first-round score of 36 or under.

Bell said after his third round that at the par-4 sixth hole where he was two under and on the green and close on his second shot, he could envision a 29 or 30. But, he missed that putt, played "Annie over" after a good tee shot on No. 8, had to "scramble" for a par and came up to the 9th tee suspecting he had to have par or less because Rog Ketelsen of Omaha was on the course ahead of him after shooting 31-33-64.

Bell hit his tee shot past the green on the 280-yard hole, chipped close and made his putt for a birdie.

That was the story as Ketelsen had earlier come in with a 36, for 101, after dubbing a tee shot on No. 2 and missing a short par putt on four; and Mangels found the two-stroke disadvantage after two rounds too much.

Mangels, one of the most consistent good golfers here this season, lost the coin-toss for the second-place prize but got it anyway when Printz preferred

1ST FLIGHT CHAMP—Buzz Blotzer retained a flight title for Plattsmouth Country Club, winning the 1st Flight in a sudden-death playoff with two golfers. Blotzer shot 38-33.

It was a hot day with no clouds to temper a burning sun. Few hardy fans followed their favorites for a time but mostly the golfers sweated it out alone.

A good-sized crowd was on hand at the club grounds most of the day and a large turnout was present for the barbecue held in conjunction with the tournament.

Tractor, Cornpicker Are 'Dangerous'

LINCOLN — Tractors are involved in more farm accidents than any other farm implement. But other machines have higher accident rates because they are used less, according to University of Nebraska health education specialists.

Based on hours of operation, the cornpicker is the most dangerous farm machine.
