

VALENTINE DEMOCRAT

SUPPLEMENT

VOL. XII

VALENTINE, NEBRASKA, DECEMBER 16, 1897

NO. 47

Where is that wood you promised to bring us? We need it badly and wish you'd hurry up.

Fred Hull, who is working for I. N. Garner, north of Cody, is in town this week enjoying a vacation.

WANTED Girl for general house-work.
MRS. W. E. WAITE.
44 Chesterfield, Neb.

Chas. Wellford has resigned his position as teacher in the Winslow district and will probably make his home in Valentine for the remainder of the winter.

Miss Mabel Marsden came up from Chesterfield Tuesday and went home to Ainsworth yesterday morning to visit with her parents until after the holidays.

Mrs. Val Nicholson returned home from Ainsworth Saturday night, accompanied by her little stepdaughter, Estelle, who will in the future make her home here.

Notwithstanding the insinuation of our friend across the street, the Ainsworth people are *good* citizens and not given to "scrapping." Ainsworth does not claim Georgie as an ex-citizen.

Several people have kindly volunteered to act as "fighting editor" of THE DEMOCRAT when Georgie comes to take our hide. It seems that there are others in town who would like to have a "go" with Reinert.

One day last week ve editor climbed to the top of the new school chimney with a load of brick and took a look at the town from that coign of vantage. The sight was a most inspiring one, the town spreading in panorama at his feet, and the roofs of new buildings glistening in the sunlight.

School report of District No. 12, for the month of November:

Number of days taught, 19. Those neither tardy nor absent during the month are: Clyde Pettycrew, Mable Spratt, Ina Spratt, Estella Spratt, Irene and Rose Fowler. Leon Pettycrew was absent but one day.

Those neither tardy nor absent during the first three months are Clyde Pettycrew, Mable, Stella and Ina Spratt. There has been only four tardies during the three months.

M. L. HERRING, Teacher.

The first bill to pass either house of congress was one donating to the village of Valentine 700 acres of the Ft. Niobrara military reservation for park and other purposes. The bill was introduced in the senate by Senator Allen, and passed that body Thursday. Valentine is coming right to the front.

Sheriff Strong wishes to inform the public that it is exceedingly dangerous for people to be seen loitering in the vicinity of the jail unless they have some good excuse for so doing. The atmosphere in that portion of town is very unhealthy just at present. A hint to the wise is sufficient.

Miss Anna Connolly, who has been engaged with Mrs. Woodward, has severed her connection there and will spend a short vacation at Valentine, when she will return and accept a position with Mrs. Bates. *The Chadron Journal*.

A school teacher in an adjoining county trims her finger nails with her teeth, and a small boy asked her one day if she trimmed her toe nails the same way. That boy has a standing position most of the time now.

THE DEMOCRAT \$1 per year.
