

THE VALENTINE DEMOCRAT

ROBERT GOOD, Editor and Publisher

Official Paper of Cherry County, Nebraska. \$1.00 Per Year in Advance

PUBLISHED EVERY THURSDAY.

Entered at the Post-office at Valentine, Cherry county, Nebraska, as Second-class matter.

This paper will be mailed regularly to its subscribers until a definite order to discontinue is received and all arrears are paid in full.

Nothing particularly new has developed in the Malou affair. The report of the naval board is still withheld, and nobody knows when it will be delivered.

Senator Thurston speaks in Congress today, and his speech is expected to electrify the nation and hurry affairs to an end.

The general public is becoming impatient at the delay, and a storm of indignation will burst about the ears of the administration ere long that will not be allayed with promises. It is a fact that the people demand.

Several articles are crowded out this week by commissioners proceedings.

According to dispatches Tuesday, Nebraska's junior senator is Thurston for Spanish blood. He is in favor of immediate intervention in Cuban affairs by this government, and says that Proctor drew the picture of Cuba too light in his recent speech.

The autonomist party in Cuba were to be given until April 1 by President McKinley to restore peace. That date is rapidly approaching, but we fail to hear of the Cubans laying down their arms. Perhaps McKinley will perpetrate a huge joke on the people by declaring war the first of April.

For the Starving Cubans. A subscription list was circulated yesterday in the interest of the starving Cubans, and \$33 was donated to the World-Herald relief fund by the following parties: C. H. Cornell, Geo. H. Hornby, C. R. Watson, D. E. Sherman, J. W. Biggie, F. M. Walcott, J. E. Thackeray, J. W. Daniels, J. C. Pettigrew, Lewis Archer, J. A. Hooton, M. Christensen, P. J. Donohoe, W. A. Pettycrew, A. Lewis, J. Wesley Tucker, F. Fischer, ye editor and five other friends of the movement. C. R. Glover donated 500 pounds of flour. A draft for the above amount was sent to the World-Herald last night. The subscription paper is still in our hands and will be further circulated. It is hoped that this amount will be increased to \$50 before the list is closed.

"Law and Order."

Dodgers were circulated last Friday calling upon all "friends of temperance, law and order" to meet at the County Judge's office that night and nominate five candidates for village trustees. The language of the dodger was a direct insult to the present board, giving as it did the impression that the board who are up for reelection are not friends of "law and order." In pursuance to the call the meeting was held, and the following were placed in nomination: G. H. Hornby, W. E. Eitner, E. Breuklander, J. O. Vincent and D. Stinard. About fifteen nominations were made before five acceptances were recorded. The gentlemen nominated are all good men, and if elected would undoubtedly do their duty as they saw it, but we believe the people will by their votes endorse the old board.

P. H. Mugford Leaves.

P. H. Mugford, wife and daughter, spent Sunday and Monday in town visiting with friends prior to their departure Tuesday morning for Mrs. Mugford's old home in Ontario, Dominion of Canada. Mr. Mugford is well and favorably known here as superintendent of St. Mary's mission, the Episcopal school on the Rosebud reservation, and his departure will be noted by many friends with regrets. He resigned his position not because he did not like the work, but for the benefit of his family. He has not yet decided what business he will engage in, but will probably come west again and start a stock ranch. He and his amiable wife are succeeded at St. Mary's by J. Fitch Kinney and wife, of San Diego, Cal. Mr. Kinney is not new to the work, having for some time been in one of Bishop Hare's schools, at Fort Bennett.

Sale of herd belonging to the Berne Live Stock company which had been pending for some time was consummated today through the agency of Towers & Collins. Comstock & Ferdon are the purchasers, but at what price is not known. The herd is estimated at from 800 to 1000 head of prime cattle, and contains 11 full blood Hereford bulls. Seven hundred of the animals are in pasture and the remainder are at large on the company's range.—Miles City (Mont) Journal.

The Redmond Comedy company closed a successful two weeks' stay here and at the post, Saturday night, playing "The Pearl of Savoy" to a first-rate house. This company made many friends while here and our people will be glad to welcome them to our city again when they return from the Black Hills some time in July.

Prof. J. L. Lyons, of the state university, under the management of the Farmers' Institute, will address the people on soil culture, sugar beet, etc. Mr. C. H. Elmdorf, on cattle raising, Saturday, April 2, in Cornell Hall, Valentine, Neb. Everybody invited to come. LILLIAN STONER, Sec'y.

We understand that a petition will be presented to the village board at its next meeting, praying for an extension of the water mains from the corner at Hoenig's north on Macomb to Meers street. The petitioners promise ten taps for family use if the extension is made.

A telegram from Milan, Mo., says that the Rev. D. L. Kincaid and his brother, A. A. Kincaid, giving his address as Whitman, Neb., were arrested in Milan on Monday on the charge of selling "green goods" and passing counterfeit money.

Life of Frances Willard. Mrs. Eva Razy has accepted the position as agent for the "Life of Frances E. Willard" and will soon make a canvass of this community in the interest of the book. This work is the only authentic "life" of the great W. C. T. U. worker, and is written by Anna Gordon, private secretary of Miss Willard for over 20 years. The principal portion of the profits derived from the sale of this book will be used to forward the work of the W. C. T. U. Anyone wishing a copy of this great work should address Mrs. Razy at this place.

Valentine, Neb., March 23, 1898. WHEREAS, it has pleased the Almighty God to take from our brother and sister, Mr. and Mrs. Chas. H. Green, their dearly beloved child, therefore be it Resolved: That Northern Star-Chapter No. 55, order of the Eastern Star, hereby express its Brother and Sister Green its deepest sympathy in their bereavement. Castle Hall, Cherry Lodge No. 188, K. of P. Valentine, Neb., March 23, 1898. WHEREAS, it has pleased the Supreme Ruler of the universe, in His infinite wisdom, to remove from the home of Brother Charles Green and family, their beloved three-year-old daughter, therefore be it Resolved: That we, as individuals, and as an order, do fully realize their loss, and that while we bow in humble submission to Him who doeth all things well, we extend our sympathy and condolence to the bereaved family and friends, in this their darkest hour of sorrow. Resolved: That these resolutions be spread upon the records of this lodge, that a copy be presented to the family of the deceased, and a copy be furnished each of the county papers for publication, and also that our charter be draped in mourning for a period of 60 days. Committee: G. CARLSON, A. E. PUES.

Joseph Poque was a city visitor Friday. Jacob and Henry Emmick took in the sights at Woodlake, Wednesday. Geo. Keller and Wm. Cady, from the Loup country, were in the city Thursday on their way to Valentine.

Our worthy business men, C. M. Bailey and C. A. Johnson, and wives, returned from New Orleans Tuesday night. They report a very pleasant sojourn in the Crescent City. Charles Murphy received a telegram Saturday announcing the death of his brother at Ashland, Kansas, caused from the bullets of revolvers in the hands of two men who were settling a dispute between themselves, but their aim being bad, two of their bullets struck an innocent man. The wounded man lingered for a week. To our worthy agent the sympathy of all is extended in this, his hour of sorrow.—Woodlake Oracle.

Niobrara Falls. Spring is here with all its glories as far as weather is concerned. Several parties went over here to attend the M. W. A. ball at Crookston, those who went found Crookston people excellent entertainers. John Adamson has lost seven head of cattle with blackleg.

Lon and Charles Mosher have been sojourning with friends on the river for several days. E. Green has his fish pond completed. It will soon be time that the community will be started by the feminine "she" when the 14th hen with her brood undertakes to clear the outcorm from the flower beds. BAD BOY.

WE ARE SELLING QUANTITIES

Of all kinds of goods these days, because prices are so satisfactory and the quality of the goods is so high. That is the secret of our success in the general merchandise business. This holds good in our various departments, viz:

DRY GOODS, STAPLE AND FANCY GROCERIES OF ALL KINDS, BOOTS AND SHOES, HATS AND CAPS, CARPETS, WINDOW SHADES, ETC.

We have left on hand quite a lot of goods which are at the present time rather slow sellers, and in order to dispose of them have reduced the prices.

Now is the time to get bargains in heavy goods.
