A Few Facts For Cattle Dealers.

It has been repeatedly demonstrated in the past that

SIOUX CITY IA.

Stands at top as a market for Range Feeders

You can satisfy yourself as to the truth of that statement by comparing the sales at Sioux City, last year, with those at any other competitive market. You can also ask your neighbors who have sold cattle at Sioux City. This year Sioux City is in the field for fat cattle as well as feeders. The great beef slaughtering plant of the Cudahy Packing Co. is ready for business.

The capacity of the Stock Yards has been greatly increased and you will find excellent facilities for handling your business.

No charges, except for feed ordered if your cattle are not sold on our market.

WESTERN NEWS-DEMOCRAT

ROBERT GOOD, Editor and Publisher

DES MOINES, Nov. 9.—The returns on the state ticket show a Republican majority of 60,000. The total number of precincts reported is 429 out of 1,120. The net loss is 950, or a loss of two votes to the precinct, showing a total Republican falling off of 5,000.

The Democratic state committee has given out the following statement: "We concede the state to the Republicans by 25,000. We have elected Weaver in the Sixth district by 1,250. There are insufficient returns in from the other districts on which to base a statement."

A statement from the Republican central committee reads: "The Republicans have carried the state by more than 50,000. We have elected every Republican congressman by large majorities. Lacey (Rep.) in the Sixth, has 1,500 to 2,000 majority."

The Democrats elect all the county officers and give the state ticket nearly 2,000 majority at Dubuque.

Keokuk gives the Democratic state ticket 200 majority, a Republican loss of 550. Leo county elects the entire Democratic ticket.

California.

SAN FRANCISCO, Nov. 9.—The managing editors of the San Francisco morning papers expressed their views as to the outcome of the election in the state as follows: Chronicle (Rep.)—The Republicans will carry the state by 20,000 and will have a plurality of 3,000 in this city. They will also elect six congressmen. Examiner (Dem.)—We concede the election of Gage for governor. Call (Rep.)—Gage will be elected by a majority of 8,000 to 10,000, and the Republicans will seat six congressmen. The Evening Post (Ind.) estimates Gage's majority at 15,000 and thinks the entire congressional ticket has been elected by the Republicans with the exception of perhaps Ryan in the Second district, and that the legislature will be Republican. At fusion headquarters at midnight it was conceded that Gage (Rep.) had won the fight for the governorship.

Indiana.

INDIANAPOLIS, Nov. 9.—This morning Chairman Martin, of the Republican state committee, said the returns were not as yet sufficiently complete as to determine the state result. The Republicans have probably elected in the Sixth, Eighth, Tenth, Eleventh and First districts, though the last is not conceded. Democrats claim the Second, Third, Fourth, Fifth, Seventh, Ninth, Twelfth and Thirteenth districts. The legislature is still in doubt. Both parties claim all state, legislative and congressional tickets.

About one-sixth only of the state has been heard from. Both parties claim it, the legislature and majority of congressmen. Nothing decisive can be known until later in the day.

Colorado.

DENVER, Nov. 9.—At midnight but meager returns have been received, but they are sufficient to show that the triple fusion of Democrats, Populists and Silver Republicans has won a sweeping victory. They claim 65,000 plurality in the state for Thomas for governor. In 1896 Bryan's majority was 135,000. They claim 15,000 plurality in this city. Shafroth (Silver Rep.) in the First congressional district, and Bell (Dem.), in the Second, was re-elected. The legislature will be strongly anti-Republican.

Washington.

PORTLAND, Ore., Nov. 9.—Forty-nine precincts out of 852 in the state of Washington, give the following for congressmen: Jones (Rep.), 1,811; Cushman (Rep.), 1,799; Lewis, fusion, 1,405; Jones, fusion, 1,280. Anders and Fullerton, Republican candidates for supreme judges, have polled a vote practically the same as that for congressmen. If the present ratio is maintained, the Republicans will carry the state by more than 2,000 majority.

Arkansas.

LITTLE ROCK, Nov. 9.—Congressional election in Arkansas is the quietest held in many years. In Little Rock, out of a voting population of about 7,000, only 300 votes were polled and that is about the ratio throughout the state. All of the old Democratic congressmen were re-elected. Densmore in the Fifth district being the only candidate who had opposition.

Wisconsin.

MILWAUKEE, Nov. 9.—These congressmen were probably elected: Sixth, James H. Davidson (Rep.); Seventh, John J. Esch (Rep.); Tenth, John J. Jenkins (Rep.); Second, James E. Jones (Dem.). Enough returns have been received to insure the election of the entire Republican state ticket by at least 20,000 plurality and a legislature overwhelmingly Republican.

Connecticut.

NEW HAVEN, Conn., Nov. 9.—Connecticut elects the Republican ticket, three Republican congressmen and probably four. Full returns from 83 towns give Lounsbury (Rep.), 4,351; Morgan (Dem.), 2,393. Same towns, in 1896, Cook (Rep.), 5,076; Sergeant (Dem.), 1,918. The Republicans claim the state by 15,000 plurality. The legislature is Republican by a considerable majority.

Delaware.

WILMINGTON, Nov. 9.—Partial returns received from the state indicate that the Republicans have elected their state, congressional and legislative tickets. This estimate, if verified by the full returns, indicate the election of a Republican successor to United States Senator Gray and a gain of one congressman.

INCREASE IN NEW YORK.

Returns So Far Show Republican Loss of 32 Seats.

CLAIM TO STILL HAVE MAJORITY.

Chairman of Democratic Committee Says They Will Control the Next House of Representatives—Pingree Is Re-elected by Good Majority For Governor of Michigan.

NEW YORK, Nov. 9.—Returns received by the New York office of the Associated Press up to 3:30 o'clock this morning indicate that 157 Republicans and 143 Democrats have certainly been elected members of the lower house of congress. Out of this total, 300 members, from the same districts two years ago, 189 Republicans were elected and 111 Democrats. This is a Republican loss of 32 and a Democratic gain of the same number. In this estimate the New York delegation is estimated at 19 Republicans and 15 Democrats.

Chairman Babcock, of the Republican congressional committee, has made the following statement to the Associated Press:

"While I am satisfied that the Republicans will control the house of representatives in the Fifty-sixth congress, it is impossible at this hour to indicate what our majority in the house will be."

Secretary Kerr, of the Democratic congressional committee, said: "The Republicans have lost control of the house of representatives. We will have from 186 to 190 members and will organize the house of the Fifty-sixth congress. The majority of the opposition will be from 15 to 20 over the Republicans and perhaps more."

Michigan.

DETROIT, Nov. 9.—Governor Pingree held his own tolerably well in yesterday's election. The Republican state committee claims his election by from 50,000 to 60,000 majority. The Democratic state committee concedes his election by a plurality of perhaps 50,000. The governor ran several hundred ahead of his ticket in Detroit and ran up a plurality of 3,000 in Grand Rapids. In Saginaw he doubled on his plurality of 1896. In Jackson, Lansing, Bay City and other smaller cities, he was cut considerably, but the country districts surrounding went quite strongly for Pingree. The balance of the Republican state ticket is elected. The vote on congressmen is close in half of the twelve districts, the others returning Republicans with certainty. The legislature will have a Republican majority, but whether Pingree or anti on the equal taxation issue, is yet undetermined.

Utah.

SALT LAKE, Nov. 9.—Tickets badly scratched and returns slow. Returns from 24 precincts in the city and state give Roberts (Dem.), for congress, 923, Eldredge (Rep.), 767; Zane (Rep.), for judge, 788; Baskin (Dem.), 878. No reliable information on legislative ticket. Forty eight precincts in the city and state give Roberts (Dem.), for congress, 3,622; Eldredge, (Rep.), 3,634. Chairman Hoyte of the Democratic committee says: "Our state ticket is elected by about 7,000 majority. I base this upon returns received to this hour." Chairman Walton of the Republican committee says: "I claim the election of the state ticket, but am not prepared to give out estimates of the majority."

Pennsylvania.

PHILADELPHIA, Nov. 9.—Because of the large ticket and extensive cutting by independent voters the returns from Philadelphia and Pennsylvania are slower than usual. Enough is known, however, to indicate that William A. Stone (Rep.) is elected governor by a large plurality. The vote of Dr. Swallow in the state will probably be under that of last year when he received 118,969 for state treasurer.

Legislative returns from the state thus far received show Democratic net gains of 13 in the assembly. Districts not yet heard from will probably elect 10 or 15 Democrats to seats now held by Republicans. The Quay leaders claim that a majority of the Republicans elected will favor the re-election of the Senator.

North Carolina.

WILMINGTON, N. C., Nov. 9.—Returns are all coming the Democratic way. Majority of Bellaamy (Dem.), for congress, this district, may reach 3,000, which would be a Democratic gain of 8,000. Democratic majority for state ticket will be large and probably six Democratic congressmen elected. Both houses of the legislature will be strongly Democratic.

Maryland.

BALTIMORE, Nov. 9.—Full and semi-official returns from the city of Baltimore and partial returns from the balance of the state, make it reasonably certain that Maryland has returned four Republicans and two Democratic congressmen, after an unusually close but entirely high election. This is a Democratic gain of two.
