In the evening a banquet was served fence, but is rapidly recovering the at Rising's Hall, 100 covers being laid, and the feast was a marvel, surpassing many we have partaken of in larger cities. The success of this portion of the entertainment was due to the and will remain at Shaw's gallery all heroic labors of the menu committee, of next week, on account of the races. Mesdames Howe, Porter and Bailey assisted by Mrs. Rice and eight young ladies, and these ladies deserve to be placed on the "free list" of every newspaper man who partook of the feast.

The closing act of the association was the adoption of the following reso-

Arrangements for making July 3rd, next, "Schley Day" at the Greater America Exposition, Omaha, are about completed. The great Commodore will honor the occasion by his presence. Every day will be a special day at the Greater America, from July 1st to November 1st, 1899. President McKinley and Admiral Dewey will both visit the Greater America Exposition. Dates will be announced | Dr. W. I. Seymour, Omaha, Neb.: later. A complete Filipino village, people houses animals, etc., will be at the Exposition. The ramous Godfrep's British Military Band, the crack band of London, nas been secured, as well as some of the finest bands in United States, for the Greater America. Special features in every department. The Exposition grounds have been almost transformed by the landscape artist, and alone will be worth a long trip and admission fee to see. The buildings are chock full of fine exhibits. The Indina Congress better than last year. Grand Opening Day, July 1st, Dr. W. I. Seymour:

It looks as if it would take several years, says the Texas Stock Journal, to bring the supply of cattle up to a point that will justify holding young steers on the range until they get much past two years old. Threes sell now at good prices as compared with twos and seem to be in strong demand. It is probable that a great many twos will have to be taken next fall if the feed lots are to be filled.

TO BE HERE FOR SHORT VISIT ONLY

Dr. Seymour's Reputation a Guarantee the Work Done By Him-An Exceptional Opportunity Offered Our Citizens.

> Browning, King & Co., Омана, Dec. 16, 1898.

To Whom It May Concern: The bearer of this letter, Dr. W. I. Seymour, I have known for the past four or five years and can say in his behalf that he is an A No. 1 man in his profession, namely optician and oculist. He has done considerable work for both myself and family during the time of my acquaintance with him and I have found his work very satisfactory and can recommend him to anyone needing his services.

Yours very truly, R. S. WILCOX.

Dear Doctor-In relation to the professional work you have done for myself and friends, in the fitting of glasses, I wish to say that I am very much pleased with the results you have obtained and can highly recommend you as a skilled specialist.

I trust your trip to Texas will prove beneficial to you and that the people of the south will appreciate your work as highly as your own home patients

With kindest regards and best wishes for a pleasant trip, I am, Yours sincerely,

E. E. BRUCE.

OMAHA COMMERCIAL AND BUSINESS COLLEGE, OMAHA, Neb., Dec. 18th, 1898.

Dear Doctor-I am very much pleased with the glasses you have made for me, as they are far more satisfactory than any I have ever used in the past. I am glad to echo the sentiment of your many patients in this city, as I have never heard anything but the highest praise for your professional work. Accept my best wishes for a pleasant and successful trip through

the south. Yours very respectfully, M. G. ROHRBOUGH, Pres. Omaha Com. College. W. G. BROWNRIGG, M. D.

Dr. Seymour brings with him the most complete line of scientific instruments for thoroughly diagnosing and correcting all known errors of refraction that have ever been collected by one man in his profession. Many of these instruments have been especially constructed for his particular use by the most prominent manufacturing opticians in Paris.
