Kewanee.....	3	Table.....	4
Kennedy.....	4	Valentine.....	9
Loup.....	6	Wood Lake.....	7

Immediately after the convention the delegates from the second district will meet and place in nomination a candidate for commissioner.

It is recommended that the precinct caucuses be held at the usual voting place in each precinct Saturday afternoon, Sept. 16th, when not otherwise called by the precinct committee.

Robert Good, W. R. Towne, Secretary Chairman.

The populist county convention will be held in Valentine on September 23, for same purpose as enumerated above, and representation will be the same.

J. S. Estabrook, G. P. Crabb, Secretary Chairman.

The populists of Valentine precinct will meet in the office of the county judge on the evening of Saturday, September 16, for the purpose of electing 9 delegates to attend the county convention and nominate candidates for precinct offices. U. G. Dunn, Com.

For the purposes named above the democrats will meet at 4 o'clock in the afternoon, Sept. 16. W. R. Towne

Ordinance No. 81

An ordinance to amend and repeal sections 7, 8, and 10 of Ordinance No. 43, being an ordinance entitled "An ordinance to establish rules of water rent and to prescribe rules governing consumers of water obtained from the water works of the village of Valentine and to provide penalties for the violation of the same."

Be it ordained by the Chairman and Board of Trustees of the village of Valentine, Nebraska:

Section 1. Section ten of said ordinance shall be amended to read as follows: Section 10. Hereafter the Village of Valentine shall require the setting of meters of improved kind, by the water commissioner, or by his approval, upon the service of all consumers of water, except those using water for domestic use, office and store use only, and for domestic use the rate shall be two dollars per quarter and for office and store purpose the rate shall be one and a half dollar per quarter, which shall be the minimum rate for any purpose. And the board reserves the right to require the setting of meters on these connections whenever a dispute arises between the consumer and the board as to the amount of water used, and when so set the meter rate established by this ordinance shall apply.

No person other than the water commissioner or duly licensed plumber shall be allowed to set meters. Consumers of water shall be charged for meter the actual cost price, payable when set, and the water commissioner shall pay the money received therefor to the treasurer of the village who shall keep the same in proper account. The water commissioner is hereby empowered to carry the provisions of this ordinance into effect at once, after it shall become a law, and to complete the work within six months, and shall have the right to go upon the premises of the consumers of water for that purpose, and if any consumer shall refuse to allow him to do so, the water shall be turned off. All water rent shall be due and payable upon the first days of January, April, July and October in each year and shall be payable quarterly in advance, and if any payment shall be in arrears ten days five per cent of the bill will be added as a penalty, and if the rent and penalty are not paid the water shall be turned off. The meter rate of charge for water shall be fifteen cents per thousand gallons. Provided that no meter connection shall be made for less than two dollars per quarter.

Section 2. Section seven of said ordinance is hereby repealed.

Section 3. Section eight of said ordinance is hereby amended to read as follows: Section 8. The use of lawn sprinklers or any device for sprinkling automatically is prohibited between the hours of eight p. m. and five o'clock a. m. Any person who shall violate this section shall upon conviction thereof pay a fine of not less than one dollar nor more than five dollars.

Passed September 6, 1899.
Approved September 6, 1899.
