Slaves under the jurisdiction of the United States are now permitted to buy their freedom for \$20.00. Some blundering copperheads have been asking how the slave is to get \$20.00 when his hands, his head and his feet all belong to his master. But the asking of any such questions as that, only shows that the man has treason in his heart.

The populists of Valentine met last Saturday evening and elected Joe Burleigh, Wes Harden, John Whillans, Josh Hitt, Grant Dunn, G. P. Crabb, Walter Meltendorf, Jim Galoway and W. A. Pettycrew delegates to the county convention. A committee consisting of John Whillans, Jim Ray and Walter Meltendorf was appointed to nominate a precinct ticket. Twenty-two votes were cast at the caucus.

At the democratic caucus last Saturday, P. J. Donohoe was allowed to name the delegates to the county convention, and later presented the following list, which was approved: George Schwalm, C. H. Thompson, Fred Miller, James Irwin, Robert Robinson, Dr. Compton, Henry Stetter, E. Breuklander and Ed Parry. Fred Miller, Ed Parry and Robert Good were appointed to confer with the populists and empowered to nominate a precinct ticket.

The populist and democrat committees met Tuesday evening and put up the following precinct ticket:
Assessor—Robert Robinson.
Justices of the Peace—J. M. Carpenter and Geo. Q. Smith.
Constables—W. H. McCloud and U. G. Dunn.

Road Overseers—Chris Elling and J. W. Ward.
This is a ticket which we believe will give satisfaction to the voters of the precinct, and we hope to see it elected.

F. Franks, a prominent stockman of Merriman was in the city this week. In a little interview, the Journal reporter learned that Mr. Franks expects to close out his interest at Merriman as soon as he can make satisfactory deal. He has a large ranch with about 300 head of cattle and facilities for feeding 100 ton of hay. Mr. Franks is holding this ranch and stock at a very low figure and will prove a good investment for some one with far amount of capital and brains. Frank will return to England for the purpose of securing control of unlimited capital with which he will run a much larger ranch than the one he now owns and will also handle a greater number of cattle. He believes northwest Nebraska the only place for a successful stock grower, and he will lose no time in settling down near his old haunts, immediately on his return from England—Chadron Journal.

The Commissioner of Public Lands and Buildings will offer about 4,200 acres of school land for lease at public auction at Theford at the office of the county treasurer, beginning at 9 a. m. Sept. 25, 1899, under the following provision of the new school land law:

If after using due diligence to lease said land, at an annual rental of six per cent upon the appraised valuation, the Commissioner is unable to do so, he may offer the same for lease at less than the appraised valuation and lease it to the person or persons who will pay six per cent on the highest offered valuation, as annual rental, if in his judgment it is to the best interest of the state to accept such bid.

Persons desiring to examine lands to be leased may secure lists of the same, showing present appraisement thereof, as well as any other information, upon application to the county treasurer or by addressing the commissioner at Lincoln. At the beginning of the auction the Commissioner will gladly answer all inquiries in regard to the school land business or the workings of the new law. The list of lands referred to will be found on page five of this paper.

The Commissioner will hold a similar auction in Sheridan county, at Rushville, Sept. 5, Cherry Sept. 7th, Sioux Sept. 18, Box Butte Sept. 20, Grant Sept. 21, Hooker Sept. 23, Blaine Sept. 23, Logan Sept. 26, Loup and Garfield Sept. 28.
