JOE BRISTOL

Twice Proven.

From the Vindicator, Rutherfordton, N.C. The editor of the Vindicator has had occasion to test the efficacy of Chamberlain's Pain Balm twice with the most remarkable results in each case. First, with rheumatism in the shoulder from which he suffered excruciating pain for ten days, which was relieved with two applications of Pain Balm, rubbing the parts afflicted and realizing instant benefit and entire relief in a very short time. Second, in rheumatism in thigh joint, almost prostrating him with severe pain, which was relieved by two applications, rubbing the liniment on retiring at night, and getting up free from pain. For sale by Quigley & Chapman. 1

Banker Routs a Robber.

J. R. Garrison, cashier of the bank of Thornville, Ohio, had been robbed of health by a serious lung trouble until he tried Dr. King's New Discovery for Consumption. Then he wrote: "It is the best medicine I ever used for a severe cold or a bad case of lung trouble. I always keep a bottle on hand. Don't suffer with coughs, colds, or any throat, chest or lung trouble when you can be cured so easily. Only 50 cents and \$1.00. Trial bottles free at Elliott's Drug Store." 1

Rev. A. F. Cumbow, of Valentine, will be here Friday evening, March 30th, under the management of the Epworth League, and give a temperance lecture. Everybody come out and hear his views on the subject. Ainsworth Journal.

Is This Plain Enough?

If you have a nagging cough and are losing flesh, go to a drug store and get a bottle of Shiloh's Consumption Cure. Take two-thirds of it, and then, if you are not benefited, return the bottle to the druggist and he will return your money. Isn't that fair? No one could ask more 25 cts., 50 cts. and \$1.00 a bottle.

We learned indirectly that Dr. E. H. Dwyer is negotiating for the purchase of a dwelling and lots in Gordon this week. This explains why the doctor is making frequent periodic trips to Valentine.—Gordon Journal.

He Fooled the Surgeons.

All doctors told Renick Hamilton, of West Jefferson, O., after suffering 18 months from rectal fistula, he would die unless a costly operation was performed; but he cured himself with Bucklin's Arnica Salve, the best in the world. Surest pile cure on earth. 25c a box, at Elliott's Drug Store. 1

OUR MOTTO

No Question is ever Settled Until it is Settled Right.

Village election occurs next Tuesday and the voters will have the opportunity of voting on two sets of candidates. The first appears as nominees of the Citizens' party, the party which has controlled the election for several years past, and is composed of the following men:

P. F. Simons.
J. W. Stetter.
J. A. Sparks.
J. W. Burleigh.
D. Stinard.

This ticket stands for the following principles:

The granting of saloon licenses to a reasonable number of reputable men, and for the enforcement of all laws and ordinances governing the village, and for that economy of administration which has heretofore characterized the board of trustees. They are all good citizens and reputable men, and when we say that they will make an excellent board we believe we voice the sentiment of the majority. It has been charged that they were nominated in a secret caucus, but so far as we know due notice of the meeting was given to all who were supposed to be interested. This ticket has always been nominated in caucus, and every year the same charge is made. Last year it was said that one person, whose name modesty prevents us mentioning, did all the work, but the charge then was false as it is now.

The People's ticket, which was nominated under the influence of the Anti-Saloon League, we are told, is also composed of good men, as may be seen by reading the list:

C. H. Cornell.
J. C. Pettijohn.
George Elliott.
U. G. Dunn.
W. F. Morgareidge.

Wherein their principles differ from the Citizens we do not know, having been out of town when they were nominated, but judging from the men as we know them, we believe there is little if any difference.

Voters can take their choice of five good men from these nominees, and while the paper is not "plugging" for any clique it believes that the Citizens' ticket will be elected, and if so, it will ask that the board appoint as marshal a man who will suppress vice to the best of his ability without waiting for "orders," regardless of the persons or places involved.

Chairman S. ratt arrived at noon.

On motion the petition of Stotts & Stetter to sell liquor at Cody, Nebr., was granted and bond for same approved.

On motion the petition of F. L. Rose and J. E. Hendrix to sell liquor at Cody, Nebr., was granted and bond for same approved.

Commissioner Hanchette voting against the granting of both of the above petitions for the reason that saloons are a moral and financial detriment to the village and community.

F. M. Walcott and J. Wesley Tucker appeared at this time and filed an objection to the jurisdiction of the board to grant license to Geo. N. Hershey and John G. Stetter to sell liquor in Woodlake village.

Objection overruled and exceptions by objectors.

Commissioner Hanchette objected to the overruling of said objection.

Comes now F. M. Walcott and J. Wesley Tucker and files remonstrance signed by A. G. Ward and others, remonstrating against the board granting license to Geo. N. Hershey and John G. Stetter to sell liquor in Woodlake, Nebr., at the same time filed a motion for the board to set April 10, 1900, to be heard upon said remonstrance.

No action taken on said motion by board of county commissioners and remonstrators ask that the same be made a part of the records. Board then set March 23, 1900, at 10 a.m. to hear said remonstrance.

In the commissioners' court in and for Cherry County, Nebraska, on the 21st day of April, 1900, at 10 o'clock a.m., adjourned meeting to March 20, 1900.

Be it remembered that on this 20th day of March, 1900, at the adjourned meeting of the board of county commissioners.

Our readers will notice that in this issue of the paper we begin to reset and rearrange our cattle brand advertisements, but it will take several weeks to go over the entire list as we intend to do. We have about 160 brands that do not appear in this issue, but they will be printed as rapidly as possible. These changes cost money—about \$50 per page, but we believe the improved appearance of the paper will be worth the expense. We have several new features in prospect, among them the enlargement of the paper, which will take place with our issue of April 12, if all goes well, and will appreciate any financial assistance you may extend us.

The state democratic convention at Lincoln, last week, was the largest and most enthusiastic ever held in Nebraska, and the work of the body was well and harmoniously done. As delegates from this district, M. C. Harrington, of North Platte, and T. P. Mahoney, of Greeley Center, were named, with S. M. Smyser, of Alliance, and C. A. Barnes, of Ainsworth, as alternates.
