Why People Buy Here.

Not because they like us any better, think we are handsomer or more entertaining than other merchants, but because we give better value than other local concerns. We do not claim that the merchant who asks high prices makes more money than we do. We make a fair profit, but sell cheap, because this business is organized on lines that enable us to obtain exceptional advantages in buying. We pass the good values thus obtained along to our customers, and they share in the benefits that our long experience and ample capital give us. You will find it to your interest to buy your

Like a Great Railway.

With its branches running in every direction, are the arteries and veins that convey the blood to every part of the system. A cold, sudden changes and exposure may cause poisonous acids to clog the circulation and then comes rheumatism. Beware! If you value your life remove the obstruction with Dr. Drummond's Lightning Remedy. Send 85 to Drummond Medicine Co., New York, and they will send you two large bottles by express, enough for a month's treatment, with full special directions. Agents wanted.
