THE LIVE STOCK MARKET.

Latest Quotations from South Omaha and Kansas City.

SOUTH OMAHA. Union Stock Yards-Cattle-There were hardly enough cattle on sale to make a market, but buyers bought up what was offered at not far from steady prices. Some of the best cornfed steers sold perhaps a little stronger, but the commoner kinds were only about steady. For the week the market is 15@25c higher, the greatets advances being on the light handyweight cattle. The half-fat stuff joined in the advance, owing to the light supply of good cattle. The cow market was somewhat uneven, but as a general thing it was just about steady. The best grades of cows or heifers sold in good shape at fully steady prices, and the medium kinds also held about the same. If there was any change at all it was on the canners, which have not been selling as well the last few days as they did early in the

Hogs-The supply of hogs was liberal again today, but the market opened up a little stronger. Packers began bidding \$4.80 and \$4.82½, the same as they did yesterday morning, and a good many hogs changed hands at those prices. The heavler hogs sold mostly at \$4.80, and the lightweights at \$4.821/2, and as high as \$4.85 was paid. I twas a fairly active market on the start and the bulk of the hogs were sold in good season. For a time the feeling was rather weak and a few hogs sold at \$4.77%, but finally packers bought the rest of them upto about \$4.80. Sheep-The market was barren as far

as fresh arrivals were concerned, and there were only a few old ewes carried over from resterday. As a result there was nothing which which to make a test of the market. Packers, however, did not seem to be particularly anxious for supplies, as the mutton market is still very dull. Choice light yearlings are probably no moret han a dime lower, but the general run of ewes and wethers are 15@25c lower than they were a week ago.

TELLS OF KIDNAPERS' GANG.

Letter Found in Milwaukee Street Car Results in Exposure of Plot.

MILWAUKEE, Dec. 22.-The sensational disappearance and return of young Edward Cudahy of Omaha is somewhat strangely coincident with the finding of a letter in a Milwaukee street car a few days ago. The letter was aggressed to William Stewart. Chicago, III., and told of a plan to rob several residences of wealthy citizens in Milwaukee and to abduct a little girl. The letter was written with a lead pencil and was signed "Jack."

The letter was turned over to the police, who looked upon it as the work of a lunatic. The day following the finding of the letter the following advertisement appeared in the Milwaukee Journal:

LUST-Reward of \$5 for the return of letter addressed William Stewart, Chicago, Ill. Address letter to John Smith, Milwaukee, general delivery,

signed "Jack," in which the writer says he is the person who lost the letter in the street car and that it was he who advertised for it. He says he has been expelled from a desperate gang of robbers and kidnappers who are working in different parts of the country, and that he has determined to inform against them. Then he tells of a plan which had been arranged .o rob the Schandein Milwaukee residence, abduct the little girl and hold her for a ransom. Besides the Schandeins he says numerous other prominent people, including Mayor Rose, Captain Pabst and Charles Uhlein are marked for visits from the gang.

When the letter was shown to Police Inspector Reimer he expressed the opinion that both it and the letter found in the street car were written by a lunatic or some boy who had been reading dime novels and wanted notoriety.

PRISON HOUSE FOUND.

Place Where Young Cudahy Was Held Located by the Police.

OMAHA, Neb., Dec. 22.-Edward A. Cudahy, sr., has not given up the chase after the men who ctole his son and held him fore a ransom of \$25,-000 in gold. On the other hand, Mr. Cudahy, in connection with Chief Donahue, has gone systematically to work to bring to justice the criminals. Only one important feature was developed yesterday. During the afternoon the police and Mr. Cudahy located and positively identified the house in which the boy was held during his cap-

In connection with this the police secured a very accurate description of two men who were doubtless connected with the affair. Miss Munshaw. daughter of the man who lives nearest to the place, which is on the outskirts of South Omaha, gave an excellent description of two men who come came to the place some days since, seeking to rent it. They were afterward seen there. On the night of the 18th Mr. Munshaw saw two men assisting a third to alight at the house He thought the third was intoxicated. It was undoubtedly young Cudahy, his apparent intoxication being due to the fact that he was blindfolded and his hands were tied.

One of the men described by Miss Munshaw tallies with the description given of the young man who used the te'enhone at the livery stable to notify the Cudahy family that there was a letter in the front yard on the morning of the 19th.

Sick Kidneys.

Diseases of the Kidneys

KIDNEY DISEASE. Senator Davis made a prolonged and gallant

fight with disease. The trouble, of which the kidney affection was the fatal outcome, first appeared about Sept. 20.

Trouble Stealthily Encroached. The trouble had, however, steathily encroached upon a vital organ, and on Nov. 11 examination of the urine proved the presence of inflammation of the kidneys.

Both acute nephritis and diabetes made their appearance, and Dr. Murphy, of Chicago, was summoned. He agreed with Doctors Stone and Lankester as to the presence of these serious allments in acute form, and, while not making any public statement, he made known privately to some of Senator Davis' business associates his opinion that the case was hopeless.

To those, however, who were familiar with the symptoms of acute kidney troubles the bulletins held ominous information, the rapid respiration. fluctuating pulse, delirium and approaching coma telling the story of death's nearness. -St. Paul Dispatch.

will stand no trifling because no disease is so deceptive and none more fatal. Statistics show that more people die from U. S. SENATOR DAVIS DIES FROM Kidney Diseases than any other disease.

Is This What Ails You?

Does your back ache? Do you have scanty flow of urine? Do you have frequent severe headaches? Do you urinate too frequently either day or night.

Have you sand, gravel, brick dust or white mucous in your urine? Have you dark or bloody looking urine which scalds when voiding? Have you dark circles around the eyes, puffiness under the eyes, or bloated appearance of the face in the morning?
