

# PRESBYTERIAN PASTOR PRAISES PE-RU-NA

First Presbyterian Church of Greensboro, Ga., and Its Pastor and Elder.

The day was when men of prominence hesitated to give their testimonials to proprietary medicines for publication. This remains true today of most proprietary medicines. But Peru-na has become so justly famous, its merits are known to so many people of high and low stations, that no one hesitates to see his name in print recommending Peru-na.

The highest men in our nation have given Peru-na a strong endorsement. Men representing all classes and stations are equally represented.

A dignified representative of the Presbyterian church in the person of Rev. E. G. Smith does not hesitate to state publicly that he has used Peru-na in his family and found it cured when other remedies failed. In this statement the Rev. Smith is supported by an elder in his church.

Rev. E. G. Smith, pastor of the Presbyterian church of Greensboro, Ga., writes:

"Having used Peru-na in my family for some time it gives me pleasure to testify to its true worth. My little boy seven years of age had been suffering for some time with catarrh of the lower bowels. Other remedies had failed, but

after taking two bottles of Peru-na the trouble almost entirely disappeared. For this special malady I consider it well nigh a specific. As a tonic for weak and worn out people it has few or no equals."—Rev. E. G. Smith.

Mr. M. J. Rossman, a prominent merchant of Greensboro, Ga., and an elder in the Presbyterian church of that place, has used Peru-na, and in a recent letter to The Peru-na Medicine Co., of Columbus, Ohio, writes as follows:

"For a long time I was troubled with catarrh of the kidneys and tried many remedies, all of which gave me no relief. Peru-na was recommended to me by several friends, and after using a few bottles I am pleased to say that the long looked for relief was found and I am now enjoying better health than I have for years, and can heartily recommend Peru-na to all similarly afflicted. It is certainly a grand medicine."—M. J. Rossman.

If you do not derive prompt and satisfactory results from the use of Peru-na, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. ## THE LIVE STOCK MARKET.

Latest Quotations from South Omaha and Kansas City.

**SOUTH OMAHA.**  
Union Stock Yards—Cattle—There was a light run of cattle and as packers all had liberal orders to fill there were hardly enough cattle to go around. The market started out active and stronger and everything was sold in good season. Best steers of good quality were ready sellers this morning at prices fully a dime higher. The less desirable grades also joined in advance. The cow market also took on more life than it has had for some time past and prices were strong to a dime higher all around. The greatest advance was on the choicer bunches, but the medium kinds and the canners also sold strong to a dime higher than the same kind of cattle brought yesterday. Owing to the few cattle on sale and the active demand the market soon came to a close for lack of stuff to sell. Bulls, calves and stags did not show much change, though sellers had no difficulty in getting fully steady prices for their holdings. There were only a few feeders on sale today and the demand was ample to take all that was offered at steady to strong prices. The choice, heavy cattle sold readily at prices as good as cattle of any weight, however, are selling in good shape and today even the less desirable grades sold without much difficulty at satisfactory prices.

Hogs—There were nearly as many hogs on sale yesterday and prices advanced sharply. The market started out about a dime higher, with the bulk of the sales at \$5.22½ and \$5.25. The demand on the part of packers was in good shape, but they did not like to pay the advance, and as a result the market was not particularly active. The hogs kept moving to the scales, however, and as sellers held for the full amount of the advance the packers had to pay it in order to fill their orders. The range for the bulk of sales was \$5.22½ to \$5.27½, with the long string at \$5.25.

Sheep—There were only three cars of sheep on sale, which was hardly enough to make a test of the market. There were two loads of ewes which brought \$3.50, but they were better than the ones that sold yesterday for \$3.40, so that the market could be quoted as steady to strong. There was also a mixed load of native ewes and lambs, the former selling at \$3.55, and the lambs at \$3.25. The demand for choice stuff seems to be in good shape and buyers pick up the bunches that answer to that description without hesitating.

**KANSAS CITY.**

Hogs—Receipts, 14,000 head; market 10c higher; bulk of sales, \$5.25 to \$5.35; heavy, \$5.22½ to \$5.40; packers, \$5.25 to \$5.40; mixed, \$5.20 to \$5.35; light, \$5.15 to \$5.35; yorkers, \$5.30 to \$5.35; pigs, \$4.00 to \$5.20.

Sheep—Receipts, 2,000 head; market steady; lambs, \$4.00 to \$4.40; muttons, \$2.50 to \$4.90.

**KITCHENER TAKING HIS TIME.**

Several Weeks Likely to Elapse Before British Resume the Offensive.

LONDON, Jan. 12.—It is understood that Lord Kitchener now holds securely all the railroad lines in South Africa, having recovered possession of the Delagoa Bay line, which had been cut January 7.

According to the Pretoria correspondent of the Daily Mail Lord Kitchener is now organizing a force of 30,000 irregular horse, which will occupy some weeks. When this force is ready he will resume offensive operations. Meanwhile the invasion of Cape Colony looks more threatening.

The news that Commandant Hertzog has two guns is rather startling, as it was formerly asserted that the invaders had no guns. The defense of Captown, including two 4.7 naval guns, are completed and recruiting of volunteers is active throughout the colony. According to dispatches to the Daily Express the admiral of the cape fleet is prepared in an emergency to land a brigade of 2,900 men with six Hotchkiss guns.

A Murraysburg telegram says the Dutch there received the British troops sullenly and there are rumors that the colonial rebels of the neighborhood are joining the invaders.

The Pretoria correspondent of the Morning Post wires that a member of the burgher peace committee, whom he interviewed, frankly confessed that there was no hope of many burghers surrendering.

**Pat Crowe as a Vagrant.**

WALTHAM, Mass., Jan. 12.—Two men, one of whom is said to bear a striking resemblance to the newspaper pictures of Pat Crowe, the alleged kidnapper, were sentenced to serve six months at the state farm today on the charge of vagrancy. They gave their names as Fred Miller of Putnam, N. Y., and Fred Wilson, of New Haven. The men had been occupying a camp in a secluded place. Both were well dressed.

**Is Bringing the Boys Home.**

WASHINGTON, Jan. 12.—The adjutant general received a cable message today from General MacArthur at Manila, saying that the transport Sheridan sailed yesterday with twenty-seven officers and 654 enlisted men of the Thirty-seventh volunteer infantry, and that the transports Logan and Lenox arrived at Manila yesterday.

**Nation After Train Robbers.**

WASHINGTON, Jan. 12.—The senate committee on judiciary today authorized a favorable report upon Senator Hoar's bill for the punishment of train robbery. The bill provides a penalty of twenty years' imprisonment and a fine of \$5,000 or both for the offense.

**Nebraska at Tail of List.**

WASHINGTON, Jan. 11.—The Burleigh reapportionment bill, which puts the ratio for the members of congress at 194,182, makes a deficient ratio for Nebraska and Maine. Dividing the population of the state by six, the number of the present delegation, it gives a ratio of 178,089 and puts Nebraska at the tail of the list, next to Maine, which has a still lower ratio.

**Will Not Hear Boer Priest.**

PARIS, Jan. 12.—La Liberte this evening publishes a dispatch from Rome describing a farewell meeting of missionaries yesterday in the college of the Congregation de Propaganda Fide, in the presence of a number of cardinals. Each missionary spoke, but when the turn of a Boer priest came, Cardinal Vaughan, archbishop of Westminster, according to the dispatch, left the hall, followed by several Englishmen. Those who remained are said to have cheered the Boer priest enthusiastically.

## Took the Oath on a Directory.

The perfunctory manner in which witnesses are sworn in English courts was illustrated recently in a London court after some twenty witnesses had given their evidence. It was then discovered that all had solemnly sworn on and kissed a guide to the law of landlord and tenant. The mistake came to light only when a court official saw that the supposed bible was much more clean than usual, and, as a consequence, looked closely at the book.
