THE CASE CONTINUED UNTIL APRIL

Bitter Legal Battle Promises to Follow Mrs. Nations's Campaign and Her Attorneys Want a Change of Venue-The Outcome Purely Speculative.

TOPEKA, Kan., Feb. 21.-Judge Hazen of the district court today continued the case of Mrs. Carrie Nation. charged with smashing Murphy's joint, until the April term of court. The cases against Eva Harding, Mrs. Rose Crist, Miss Madeline Southard, Mrs. C. Chadwick and C. R. McDowell were also continued. Mrs. Nation enlivened the proceedings in her charasteristic way, arising several times to address the court, each time calling

the judge "your dishonor." When asked if she were ready for trial Mrs. Nation, who acts as her own attorney, said: "Your dishonor, I am incapable of trying my case this afternoon, as I have been poisoned by cigarette smoke in the county jail. I want to see how the other cases are tried, anyway."

Judge Hazen looked at the joint smasher in a helpless sort of way and then recognized Captain J. G. Waters, one of the attorneys for the defense.

Captain Waters said: "I tried to find out yesterday which of these cases was to come up and I could not. I find that none of these cases have been placed upon the trial docket. There is no necessity for this swift vengeance. It is a fair demand that the case be continued. The ordinary procedure of court would be advanced by the giving of proper time."

"It is the province of the court to see that all have a fair trial," said Judge Hazen. "It is not proper to railroad cases through. I see that if the cases go over until the next term of court that it will be not so difficult to get a jury as it wall be settle the point of law now. I shall call the Stark case again on Monday morn-

Balf Stark is a young clerk who accompanied the crusaders and assisted in the raid Sunday. Mr. Stark's lawyer requested that his case also go over for this term.

"I would prefer to try a man on this charge rather than a woman," said Judge Hazen. "You may call a special venire if you wish and I think it will be necessary. I expect to try only this one case.'

Then Mrs. Nation scored again. She said: "Your dishonor, please, I think it would be better to defer the decision as long as possible."

"No, I think it will be better to settle it at once and let the people know what the law is," said Judge Hazen. "We know the law," said Mrs. Na-

tion. "It seems that some do not," re-

plied Judge Hazen. "Some judges do not know the law,"

retorted Mrs. Nation. Miss Madeline Southard and Mrs. Crist, who have been with Mrs. Nation in the county jail, gave bond for \$500 each and were released. One of the signers of the bonds was Edward Wilder, treasurer of the Atchison, Topeka & Santa Fe railway. Mrs. Nation

and the others were returned to jail. The indications are that there will he a bitter legal battle over the trials. The attorneys for the defendants will insist that they be granted a change of venue on account of the alleged prejudice of Judge Hazen.

tion of Leaders in Atrocities. LONDON, Feb. 21.-"At their latest meeting," says the Pekin correspondent of the Morning Post, wiring yesterday, "the foreign envoys agreed to a compromise. They propose to permit the imperial court to commute the sentences of decapitation in the cases of Prince Tuan, Duke Lan and General Tung Fu Hsian to life imprisonment and will agree to the following punishments:

"Prince Chwang to be strangled, Yu Hsien to be decapitated, Chao Shu Schio and Ying Nien to be permitted to strangle themselves and Chi Hsien and Hsu Chung Wu to be beheaded in Pekin.

"If the court advances no new obstacle the negotiations on the first point of the demands of the powers

may be considered closed." Dr. Morrison, wiring to the Times from Pekin yesterday, says: "The court has yielded and consented to the infliction of the punishment demanded, petitioning, however, that sentences on Chao Shu Schio and Ying Nien may be strangulation instead of decapitation. To this the foreign envoys have agreed.

Once. WASHINGTON, Feb. 22.-For nearly two hours today the senate had under discussion a resolution by Mr. Jones of Arkansas to discharge the judiciary committee from further consideration of the anti-trust bill passed by the house at the last session and to bring it before the senate for consideration. To some extent the merits of the measure were discussed, Mr. Hoar, chairman of the judiciary committee; Mr. Platt of Connecticut, Mr. Sponer, Mr. Bacon, Mr. Pettigrew, Mr. Teller and others taking part in the debate. The majority maintained that the house measure clearly was unconstitutional. They protested, too, against taking up so great a question in the closing hours of the session. POWERS TO KEEP HANDS OFF

No Individual Concessions of Chinese Territory Shall Be Sought.

WASHINGTON, Feb. 22.-At the instance of the United States government the powers have accepted the principle that no further individual concessions of territory in China shall be sought by any one power without international assent.

This agreement applies not only to Tien Tsin, where there has been some rivalry exhibited in the effort to obtain concessions for foreign settlements, but to all other Chinese points. The State department began this movement some time ago. It is surmised, though no admission on that point can be obtained, that the occupation by Russia of the important concession opposite Tien Tsin, including the railroad terminus, made the initation of this movement.

"I do not feel very well, I am so tired all the time. I do not know what
