

Nervous Prostration.

A Noted Boston Woman Describes its Symptoms and Terrors.—Two Severe Cases Cured by Lydia E. Pinkham's Vegetable Compound.

"I am so nervous! no one ever suffered as I do! There isn't a well inch in my body. I honestly believe my lungs are diseased, my chest pains me so, but I have no cough. I am so weak at my stomach, and have indigestion terribly, and palpitation of the heart; am losing flesh; and this headache and backache nearly kills me, and yesterday I had hysterics.

"There is a weight in the lower part of my bowels, bearing down all the time, with pains in my groins and thighs—I can't sleep, walk, or sit, and blue—oh goodness! I am simply the most miserable of women."

This is a most vivid description of a woman suffering with nervous prostration, caused by inflammation or some other diseased condition of the womb.

No woman should allow herself to reach such a perfection of misery when there is no need of it. Read about Miss Williamson's case and how she was cured.

Two Bad Cases of Nervous Prostration Cured.

"DEAR MRS. PINKHAM;—I was suffering such tortures from nervous prostration that life was a burden. I could not sleep at all, and was too weak to walk across the floor. My heart was affected so that often I could not lie down at all without almost suffocating. I took Lydia E. Pinkham's Vegetable Compound and it worked like magic. I feel that your medicine has been of inestimable benefit to me."

MISS ADELE WILLIAMSON,
196 N. Boulevard, Atlanta, Ga.

"I had nervous prostration terribly, caused by female weakness. I suffered everything; was unable to eat, sleep, or work. After a while I was induced to try Lydia E. Pinkham's Vegetable Compound, and I really began to improve on taking the first bottle. I continued to take the medicine, and am now better in every way, and feel like a different person. I am simply a well woman."

What Do the Children Drink?
Don't give them tea or coffee. Have you tried the new food drink called GRAIN-O? It is so delicious and nourishing, and takes the place of coffee. The more Grain-O you give the children the more health you distribute through their systems. Grain-O is made of pure grains, and when properly prepared tastes like the choice grades of coffee, but costs about $\frac{1}{2}$ as much. All grocers sell it, 15c and 25c.

FIVE YEARS IN PRISON

Two Nebraska Bank Wreckers Receive Their Punishment.

BOTH MUST DO HARD LABOR

Judge Munger of the Federal Court Passes Upon the Case—Suits on Railroad Bonds—A Kidnap in Court—Miscellaneous State News.

OMAHA, Neb., March 16.—C. A. Reimers, president of the defunct First National bank of Neligh, Neb., and his son, Edward O. Reimers, assistant cashier, were each sentenced to five years in the Sioux Falls penitentiary by Judge Munger for wrecking the institution of which they were officers. In compliance with the request of their attorneys, the judge suspended sentence for ten days to allow time for the filing of an appeal bond.

This case was tried in the federal court in December, 1899, and the defendants were found guilty. A motion was made for a new trial, which the judge took under advisement until Saturday, when he overruled it and pronounced sentence.

The Reimers and Charles R. Alder, cashier, were indicted in October, 1898. Alder was never placed on trial, he being a fugitive from justice somewhere in Mexico. The charge against the officers of the Neligh bank was falsifying the records, violating the banking laws of the United States and making false reports to the comptroller of the treasury. It is alleged that originally Alder purchased the bank from the Reimers and that in doing so he used the assets and collateral in making his payments and that they knew this. Charges of forgery were also made and it is understood that forged notes were discounted and rediscounted with other banks for the purpose of taking up personal obligations.

When the receiver, H. J. Whitmore, took charge of the affairs of the bank he found a shortage of between \$30,000 and \$40,000 and liabilities of \$110,000. Since then he has paid 40 per cent in dividends and some \$10,000 on taxes and bills.

Suicide of a Prisoner.

CLARION, Ia., March 16.—Soren Peterson, a farmer living six miles west of Clarion, was arrested a few days ago on the charge of rape, and brought here and lodged in jail to await the action of the grand jury. Mrs. Peterson has been an invalid for some time, and it was necessary to employ a hired girl to assist in the household, and it was this girl upon whom the crime is alleged to have been committed. She is only about 15 years of age. Peterson was the only occupant of the jail at the time, and took advantage of the temporary absence of the sheriff to kill himself by hanging.

Suit Upon Railroad Bonds.

NEBRASKA CITY, Neb., March 16.—Suit was filed in the district court by John C. Watson to recover \$4,000 damages from John M. Clapp & Co. of Philadelphia. This concern is the holder of \$40,000 worth of Missouri Pacific bonds upon which they have just secured judgment against Oteo county. Watson alleges in his petition that the bonds were placed in his hands for collection in 1875 by Clapp & Co. and that his fee was to be 10 per cent of the amount recovered. He further alleges that Clapp & Co. gained possession of the bonds by unfair means.

Conference on Taxation.

NEW YORK, March 15.—The National Civic federation, which has held a conference on "our foreign policy" and on the "trust question" and recently organized a national joint committee on "conciliation and arbitration," today from this city issued a call for a national conference on taxation at Buffalo for May 23 and 24. The governors will be invited to appoint delegates and the various state tax commissioners and members of legislative committees.

National Guard Election.

LINCOLN, Neb., March 16.—An election by commissioned officers of the First regiment Nebraska National Guard, to fill the vacancy caused by promotion of Lieutenant Colonel Harry L. Archer to colonel, has been called for March 27 by Adjutant General Kilham. Permission has been granted company K of the First regiment at Columbus to parade with arms April 9, when the veterans of Shiloh celebrate.

Organize Anti-Saloon League.

STROMSBURG, Neb., March 16.—All churches in the city met in mass meeting Sunday night to listen to an eloquent address by Rev. Dr. Kearns of Lincoln. After the lecture an anti-saloon league was organized, and over 200 signed the list of membership. This league will endeavor to knock out the saloons here, and if they fail in that, they will enforce the Stocum law as nearly as possible.

Dismore Back in Kearney Jail.

KEARNEY, Neb., March 16.—Frank L. Dismore, who has been kept at the state penitentiary nearly a year, being convicted of murdering Fred Lake at Odessa over a year ago, was brought to Kearney by Sheriff Funk and placed in the county jail.

Alleged Kidnap in Court.

OMAHA, Neb., March 16.—James Callahan, known to the officers as No. 3 of the alleged kidnapers of Edward A. Cudahy, Jr., was taken from the solitary cell in the county jail and escorted to the court room, where he was arraigned before Judge Baker, where he pleaded not guilty to the three informations, one of which charges that he falsely and unlawfully imprisoned Edward A. Cudahy, Jr., for the space of thirty hours; another that he robbed Edward A. Cudahy, Jr. of \$25.00. The trial was set for March 20th.

Try Grain-O! Try Grain-O!
Ask your grocer to-day to show you a package of GRAIN-O, the new food drink that takes the place of coffee. The children may drink it without injury as well as the adult. All who try it, like it. GRAIN-O has that rich seal brown of Mocha or Java, but it is made from pure grains, and the most delicate stomach receives it without distress. $\frac{1}{2}$ the price of coffee, 15c and 25c. per package. Sold by all grocers.

Broken Backs Repaired.

The broken spine is occasionally yielding to the skill of surgery. A number of cures have lately been made of vertebrae fractures which not long ago would have been considered hopeless. The latest case reported is from the University of Chicago, where a student broke his neck in the gymnasium October 24, and is now entirely recovered.

A Gold-Lined Goose.

A sensation was caused in New Westminster, near Vancouver, the other day, by the discovery of \$12 worth of fine and coarse grain gold in the crop of a wild goose. The goose was shot at Pitt Lake, which is fed by numerous mountain streams. The sand bars along the shore were known to contain gold, but had never been prospected.

Fancy Prices for First Editions.

The demand for first editions of famous American authors holds up well, as was shown at the disposal of the Arnold collection in New York last week, when about 700 lots realized over \$7,000. The prize of the sale was the first edition of Hawthorne's "Fanshawe," one of the rarest of American books, which went for \$410.

Edward Conrad, a railroad gateman, of Allegheny, Pa., suffered an injury some years ago which made it necessary to amputate one of his legs. Since then he has had five accidents, in each of which his artificial leg was cut off.

A Warm Parody.

The Bookman's parodies on that Englishwoman's love letters are rather pat: Ownest—When I woke this morning my windows were covered with a thick, white frost, my bathtub was an improvised skating pond, and the mercury in the thermometer outside had forced a hole through the bulb at the base of the tube and disappeared. I was just dangling one timorous creamy magnolia-white foot over the edge of the bed, into the icy crackling void of circumambient cold, when the door opened and Juggins (that housemaid, beloved, is already pensioned against senility!)—Juggins brought me your letter. Ownest, think of it. Five hours had elapsed since I had heard from you!

The Kaiser and the Sergeant.

Emperor William's kindness of heart is well known and recently at the parade at Stettin he gave proof of it to a former sergeant of his under whom he had served when he was crown prince. He recognized the veteran standing among the crowd of spectators and summoned him. For some minutes he chatted pleasantly with the man and then dispatched an orderly to bring a horse for his former sergeant that the latter might be able to ride about and see the review at his ease.

CONSTIPATED OLD AGE

Means misery on the eve of life. Nine out of ten old people are constipated because the muscles of their intestines have become weak, worn out and flabby. Constipation is the curse of old age, causes bile and acid poisons to remain in the blood, making the skin yellow and wrinkled, the eyes bleary and causing the "bones to ache." Keep the bowels strong, healthy and regular and old age loses all its terrors and weaknesses. No reason why grandpa and grandma shouldn't have bright eyes, and clear, ruddy skin and feel lively and active, if they will only keep their bowels open and vigorous with **CASCARETS CANDY CATHARTIC**, the greatest bowel tonic ever heard of. Try them to-day—a 50c box—a whole month's treatment—and find that the tortures of constipated old age are
