

# THE VALENTINE DEMOCRAT.

THE OFFICIAL NEWSPAPER OF CHERRY COUNTY, NEBRASKA

VOLUME XVI

VALENTINE, NEBRASKA, APRIL 11, 1901.

NUMBER 12

## LIKE WINE,

The "RED FRONT" improve with age, until now it's the most popular trading place for the majority of Cherry Co.'s shoppers. The reason why 'tis so easy to explain: We never disappoint if we can help it; we always give our customers what we advertise; our prices for the same quality of merchandise are always lower than our neighbors. We don't only say, compare prices, but we do say, compare quality as well. We carry nothing for our customers that we do not use ourselves. Our goods are always clean and fresh; no shelfworn or bankrupt stock, and when we advertise a sale we always sell goods lower than the regular price. Hence the reason of our phenomenal success, and the household word, "it pays to trade at the "RED FRONT."

We learn through Dr. Seymore that he has greatly improved and enlarged his scope of business in the past year. He has recently procured a large suit of rooms adjoining Dr. Thad H. If you would buy goods of a live business merchant who always has fresh goods at market prices you should watch the advertising columns and if you don't find his name, you should be careful what you buy of him for it may have been stale goods a year ago. The DEMOCRAT'S advertisers are up-to-date merchants and take the lead in everything. You can rely upon getting fresh first class goods at all times and at bottom prices. Do not be deceived by inferior stock that is not worth advertising and is only to sell.
