They are to be mostly threeyear-olds and of the same grade that has made Raffenberg Bros. famous in their business and the key to their success in handling stock. Short leged with long heavy bodies and good colors, reds and roans, have been the general description and class of stock handled and shipped here. Two car loads have been disposed of here this spring and those who have purchased have been more than pleased with the bargains. You should come in and see them even if you do not wish to buy, as you will have a better idea of products from the east where stock is more closely graded.
