When the Heart is Ache'd
By rheumatism or any of the muscles near that organ, it is liable to tampering with an electric wire, for death may come at any moment. If life is worth it, do not hesitate, but get Dr. Drummond's Lightning Remedy. Send \$5 to the Drummond Medicine Co., New York, and they will send you two large bottles, enough for a month's treatment, by first express. It is not as quick as electricity, but will save your life if you take it in time.

Like A Great Battery
With its brain cells running in every direction, are the arteries and veins that convey the blood to every part of the system. A cold, sudden changes and exposure, may cause poisonous acids to clog the circulation and then comes rheumatism. Beware! If you value your life remove the obstruction with Dr. Drummond's Lightning Remedy. Send \$5 to Drummond's Medicine Co., New York, and they will send you two large bottles by express, enough for a month's treatment, with full directions. Agents wanted.

Gordon Journal—
Bro. Church of the Naper News has got the newspaper business down to a paying basis. He runs one column of local and editorial combined and seven columns of home ads, mostly legals. In addition to this he was recently elected mayor of the town and of course will have a cinch on the village printing at full legal rates with no opposition to make a k ck.

Editor Burleigh of the Ainsworth Star-Journal came up last Saturday morning and spent a whole day in Gordon. We tried to prevail on his staying over Sunday with us but his church duties demanded that he return home Saturday night. We hate to presume upon a brother editor's piety but we surmise that the object of Burleigh's devotion is an angel disguised in an Easter bonnet.

A woman was in town the other day clad in a cheap calico dress and had with her three children all under four years of age. She brought in six dozen eggs from the proceeds of which she was expected to buy groceries and dry goods to last until another supply of eggs could be garnered. No doubt she could give a few valuable pointers on matrimony to silly love sick girls who have just begun to wear long dresses, but then they wouldn't listen so what's the use.

A Ponca young man corresponded with a beautiful brunett of Chicago, with a view of matrimony. The scheme worked very satisfactory and after expending considerable money on her wedding trossou he went to claim his prize and found that she was not only a deep brunette but had short, curly, kinky hair. Of course the nuptials were declared off so far as he was concerned. Moral: Stand up for Nebraska even if you have to marry an old maid with false teeth.

Down the River
Some are preparing to plant corn this week.

Mr. and Mrs. Paul Charbonneau were visiting at Mr. T. Ashburn's last Sunday.

Mr. Wm. Allen sr. had a general round up both of horses and cattle the first of the week.

John Grooms Jr. took a load of corn to town to exchange for chopped feed the front end of the week.

Mrs. W. J. Allen has about one hundred spring chickens. Some of them are most large enough to fry.

Mrs. A. W. Grooms took off the first young turkeys the first of the week and has about fifty more turkey eggs setting.

Grant Spain, formerly of this county who has been west for the last year landed at Mr. T. J. Ashburn's, his father-in-law, last Saturday.

Charbonneau Bros., of Arabia, passed through our country with their hay trailer the first of the week enroute for Sand creek to do some bailing there for David George.

Mrs. George Bristol closed her school at the White school house Wednesday of last week and gave a splendid entertainment in the evening, for a small school. County superintendent, Miss Brown and Grandma Bristol of Valentine attended the entertainment.
