Dancing Academy

Prof. Clarence J. Sealey, dancing master, as announced through the columns of this paper last week, opened a school here Friday evening with 71 members. Prof. Sealey is widely known and came to us highly recommended both as a dancing master and gentleman so that his success here was not at all surprising and his circle of friends and successful students only grown greater. Up to last night which completed the half term of ten lessons a surprising amount of work was done. Students that he has, many of whom have never danced before, are rapidly acquiring the grace and ease of movement which this delightful pastime alone affords and all are satisfied even beyond their most sanguine expectations.

Prof. Sealey informs us that on next Wednesday evening he will give a public dance charging an admittance of one dollar at which time he will award a \$25.00 gold medal to the most graceful lady dancer in his class. The dance in which the medal will be awarded will be the Mazurka and the American Association, of which Prof. Sealey is chief organizer, instructs him to give \$25.00 cash instead when so desired as a proof of the value of this medal.

Prof. Sealey has done and will do all that he advertises and agrees and we feel no hesitancy in recommending him to the people of O'Neill, where he will organize his next class, as not only a thorough master of dancing but a perfect gentleman.
