We hear that the collectors sent out by the republican officials have been b'aiming the county commissioners for the inconvenience they are causing tax payers. The fees go to these collectors and if they charge each man who owes a tax full fees, mileage from Valentine do you think it is because the commissioners said for them to do so? Is it fair to have republicans wait upon the commissioners and ask them if they want the taxes collected when it is the duty of the treasurer to collect the taxes? Is it not done to shift the responsibility to the commissioners' shoulders? We think the matter is plain enough to all who paid these extra costs and those who got the extra costs. The county got nothing out of it but the tax. We are in favor of collecting the taxes with the least possible expense to our tax payers. God knows there's enough to pay without the additional charges of collectors who nearly always charged each man full mileage from Valentine though he found a man every 4 or 5 miles. Why didn't they ask the commissioners for permission to send notices to those who had a tax? Hundreds of our tax payers didn't know they had a tax unpaid. Does anyone think our commissioners would have refused this request?

Eureka Harness Oil. Give Your Horse a Chance! A good looking horse and poor looking harness are a waste of money.
