TO WORKING GIRLS

FREE MEDICAL ADVICE
Every working girl who is not well is cordially invited to write to Mrs. Pinkham, Lynn, Mass., for advice; it is freely given, and has restored thousands to health.

Miss Paine's Experience.
"I want to thank you for what you have done for me, and recommend Lydia E. Pinkham's Vegetable Compound to all girls whose work keeps them standing on their feet in the store. The doctor said I must stop work; he did not seem to realize that a girl cannot afford to stop working. My back ached, my appetite was poor, I could not sleep, and menstruation was scanty and very painful. One day when suffering I commenced to take Lydia E. Pinkham's Vegetable Compound, and found that it helped me. I continued its use, and soon found that my menstrual periods were free from pain and natural; everyone is surprised at the change in me, and I am well, and cannot be too grateful for what you have done for me."
—Miss JANET PAINE, 530 West 125th St., New York City. —\$5000 forfeit if original of above letter proving genuineness cannot be produced.

Take no substitute, for it is Lydia E. Pinkham's Vegetable Compound that cures.
A Soapless Country.
In spite of British rule India is still virtually a soapless country. Throughout the villages of Hindustan soap is, indeed, regarded as a natural curiosity, and it is rarely, if ever, kept in stock by the native shopkeeper.

A Problem Solved.
Cabel, Kan., Dec. 22.—This part of Kansas has solved the great question, How can Kidney Troubles be cured, and as Rheumatism, Bright's Disease, Diabetes and other ailments resulting from Diseased Kidneys are common to all parts of the country the news is of great interest.
The cure is Dodd's Kidney Pills. Hundreds of people will tell you this of their own experience. Take J. B. Cunningham, for example. He had Kidney Trouble of long standing. He sought relief in vain. He had tried Doctors and Medicines of different kinds. Finally he tried Dodd's Kidney Pills and he stopped right there. No one who tries Dodd's Kidney Pills for Kidney Complaint ever needs to look any further. Here is what Mr. Cunningham says:
"Dodd's Kidney Pills are all right for Kidney Trouble. I have used them and know, for they have done me more good than anything I ever used."

There are plenty of people who have become depressed and discouraged, because that dry, hacking cough hangs to them continually. They have taken much medicine, mostly of the advertised quack sort, nothing like Dr. August Koenig's Hamburg Brest Tea, the discovery of a then noted German physician 60 years ago. We do not say that this will cure a case where the lungs are badly diseased, for it will not, and up to this date there is nothing that will cure under these conditions; but on the other hand, if the lungs are not hard hit, the patient should take Dr. August Koenig's Hamburg Brest Tea, a cup full every night on going to bed, have it hot, drink slowly, then every other night, rub the throat and top portion of the lungs with St. Jacobs Oil, cover with oil silk, let it remain an hour, then remove. Eat good, plain, nourishing food, live in the open air as much as possible. By all means sleep as near out of doors as possible, that is, windows wide open, except in very severe weather. Take a cold sponge bath every morning; then immediately rub the body vigorously with a coarse towel. Take Dr. August Koenig's Hamburg Drops every other day according to directions. One can buy the three remedies for \$1.25 of any reliable druggist. Begin the treatment at once, and how many nights better you will be almost within a week's time.

O. D. FAVORITES

The Bells of Shandon.
With deep affection and recollection I often think of those Shandon bells, Whose sounds so wild would in the days of childhood Fling round my cradle their magic spells.
On this I ponder, where'er I wander, And thus grow fonder, sweet Cork, of thee;
With thy bells of Shandon, That sound so grand on The pleasant waters of the River Lee.
I have heard bells chiming full many a clime in, Tolling sublime in cathedral shrine; While at a glib rate brass tongues would vibrate, But all their music spoke naught like thine;
For memory dwelling on each proud swelling Of thy beffry kneeling its bold notes free.
Made the bells of Shandon Sound far more grand on The pleasant waters of the River Lee.

I have heard bells tolling "old Adrian's mole" in, Their thunder rolling from the vatican, And cymbals glorious, swinging uproariously, But thy sounds were sweeter than the dome of Peter Flings o'er the Tiber, pealing solemnly: O! the bells of Shandon Sound far more grand on The pleasant waters of the River Lee.

There's a bell in Moscow, while on tower and kiosko In St. Sophia the Turkman gets, And loud in air calls men to prayer From the tapering summits of tall minarets.
Such empty phantom I freely grant 'em, But there's an anthem more dear to me: 'Tis the bells of Shandon, That sound more grand on The pleasant waters of the River Lee. —Francis Mahony.

Twickenham Ferry.
"A-hoy! and O-ho! and it's who's for the ferry?"
(The briar's in bud and the sun's going down),
"And I'll row ye so quick and I'll row ye so steady,
And 'tis but a penny to Twickenham Town."
The ferryman's slim and the ferryman's young,
With just a soft tang in the turn of his tongue;
And he's fresh as a pippin and brown as a berry,
And 'tis but a penny to Twickenham Town.

"A-hoy! and O-ho and it's I'm for the ferry."
(The briar's in bud, and the sun's going down),
"And it's late as it is and I haven't a penny—
Oh! how can I get me to Twickenham Town?"
She'd a rose in her bonnet and oh! she looked sweet
As the little pink flower that grows in the wheat,
With her cheeks like a rose and her lips like a cherry—
"It's sure but you're welcome to Twickenham Town."
"A-hoy! and O-ho! You're too late for the ferry."
(The briar's in bud and the sun's going down),
And he's not rowing quick and he's not rowing steady;
It seems quite a journey to Twickenham Town.
"A-hoy! and O-ho!" you may call as you will;
The young moon is rising o'er Petersham Hill;
And, with love like a rose in the stem of the wherry,
There's danger in crossing to Twickenham Town, —Theophile Marzials.

NEGRO GIRL LEAVES WELLESLEY.
Booker T. Washington's daughter who recently was reported to be doing well at Wellesley College, has now, it transpires, been forced to leave the institution and go to Bradford Academy. It is said she failed in music. While Miss Washington was taken up and made much of by the Northern girls at the college, her reception by girls from the South was, it is declared, of a nature to give the faculty some embarrassment.
Changes in Ships.
The rapidity of improvement in naval matters nowadays is shown by the fact that the English ships Harflour and Centurion, built just nine years ago and much praised at the time are now so obsolete that they are to be reconstructed at a cost of \$500,000 each.

THE SON OF EX- U.S. MINISTER TO ENGLAND

Commends Peruna to All Catarrh Sufferers.

Hon. Louis E. Johnson is the son of the late Reverend Johnson, who was United States Senator from Maryland, also Attorney General under President Johnson, and United States Minister to England, and who was regarded as the greatest constitutional lawyer that ever lived.
In a recent letter from 1001 F. street, N. W., Mr. Johnson says:
"No one should longer suffer from catarrh when Peruna is accessible. To my knowledge it has caused relief to so many of my friends and acquaintances, that it is humanly to commend its use to all persons suffering with this distressing disorder of the human system."
—Louis E. Johnson.
Catarrh's Poisons.
Catarrh is capable of changing all the life-giving secretions of the body into scalding fluids, which destroy and inflame every part they come in contact with. Applications to the places affected by catarrh can do little good save to soothe or quiet disagreeable symptoms. Hence it is that gargles, sprays, atomizers and inhalants only serve as temporary relief. So long as the irritating secretions of catarrh continue to be formed so long will the membranes continue to be inflamed, no matter what treatment is used.
There is but one remedy that has the desirable effect, and that remedy is Peruna. This remedy strikes at once to the roots of catarrh by restoring to the capillary vessels their healthy elasticity. Peruna is not a temporary palliative, but a radical cure.

WHAT LIQUID KOAL IS

It is a black, oily liquid obtained by the dry distillation of coal and embracing Biborate of sodium, calcium, sodium, potassium and extracts of resinous materials with xylol, quaiacol and cresol.
Xylol is a hydrocarbon taken by destructive distillation from the empyreumatic oleoresin of Pinus Palustris.
Cresol and quaiacol are two of the main constituents of creosote.
Biborate of sodium is prepared by lixiviation of earth, which is strongly impregnated with borax evaporating the solution and crystallizing. Calcium, Sodium and Potassium are elements of nature.
The question might occur—if these properties are found in Coal, why not use coal? The answer is—First, coal does not contain all the constituents; second, those it does contain are only yielded at a temperature of over 325 degrees Fahrenheit, and it is plain that if a hog's stomach generated this amount of heat the hog would become roast pork seasoned with fried parasites of hog cholera.
Thousands of farmers are using this remedy with great success. Our limited space forbids us giving hundreds of testimonials as we could, which will be furnished you on request.

is an article which you will find daily use for. If you once adopt its use you will find it to be indispensable, and as the price is so reasonable no family should be without it.
Liquid Koal will cure Corn Stalk Disease, Hog Cholera, Swine Plague, Black Leg, Lump Jaw, Scabs in Sheep, Pink Eye. Guaranteed as a Lice Killer.
