Salt Codfish Chowder. Wash one pint of salt codfish broken into flakes and put to soak over night. Cut half a pound of salt pork into dice, fry crisp and brown, and in the fat fry two onions chopped into fine dice. Put in the soup pot a layer of flaked fish and a layer of thinly sliced raw potatoes. Sprinkle with onion, fried pork, add a dash of flour and pepper. Cover with a layer of split crackers. Continue in this order till the fish and one quart of sliced potatoes have been used. Over this pour two quarts of milk and allow the chowder to simmer very gently for one hour.

Graham Muffins.

For twelve muffins there will be required half a pint of graham, half a pint of flour, one generous tablespoonful of sugar, one tablespoonful of butter, half a teaspoonful of salt, one teaspoonful and a half of baking powder, one egg, and two gills and a half of milk. Mix the dry ingredients and rub through a sieve. Turn the bran from the sieve into the mixture. Beat the legg till light and add the milk to it. Stir this into the dry mixture. Add the butter, melted, and beat well for half a minute. Bake in buttered muffin pans for half an hour in a moderately hot oven.

Reception Rolls.

Scald one cup milk, add one tablespoonful sugar, one-quarter cup of butter and one-half teaspoon salt. When lukewarm add one yeast cake dissolved in three tablespoonfuls lukewarm water and one and one-half cups bread flour. Cover and let rise, then add yolks of two eggs and flour to knead. Let rise, shape, again let rise, and bake in a hot oven.

Pop-Overs.

Sift into a bowl one cupful of flour and a saltspoonful of salt. Beat one egg very light, add to it one cupful of sweet milk. Stir this gradually so that it will not be lumpy, into the flour, give it two or three vigorous beatings and pour it into heated gem pans that have been well greased. Fill them about half full and bake them in a very quick oven.

Codfish with Vegetables.

Freshen codfish and cut it in chops about three by six inches in size. Put into hot water and set on the stove where it will barely simmer. Boiling hardens the fiber of fish as it does of meat. MRS. RATH'S BABY

Tired Mother's Touching Story of Anxiety and Suffering.

Cuticura Brings Blessed Cure to Skin Tortured Baby and Peace and Rest to Its Worn Out Mother.

It is no wonder that Mrs. Helena Rath was taken sick. Single-handed, she did all the housework and washed, cooked and mended for her husband, Hans, and their six children. After a plucky fight to keep on her feet, Mrs. Rath had to yield, and early in 1902 she took to her bed. What followed she told to a visitor, who called at her tidy home, No. 821 Tenth Ave., New York City.

"I hired a girl to mind the children and to do whatever else she could. I couldn't stay in bed long. Sick as I was, it was easier for me to crawl around than to lie and worry about my little ones. So I got up after a few days, and let the girl go. I had noticed that she had sores on her face, hands and arms, but I paid no attention to that until Charlie, my youngest, began to pick and scratch himself. He was then ten months old, and the girl had paid more attention to him than to any of the others. Charlie was fretful and cross, but as he was cutting teeth, I didn't think much of that. Even when a rash broke out on his face I wasn't frightened, because everybody knows that that is quite common with teething babies. Several of my others had it when little, and I thought nothing about it.

"But the rash on Charlie's poor little face spread to his neck, chest, and back. I had never seen anything quite like it before. The skin rose in little lumps, and matter came out. I'v baby's skin was hot, and how he did suffer! He wouldn't eat, and night after night I walked the floor with him, weak as I was. Often I had to stop because I felt faint and my back throbbed with pain. But the worst pain of all was to see my poor little boy burning

with those nasty sores. "I believed he had caught some disease from the girl, but some of the neighbors said he had eczema, and that is not catching, they told me. Yes, I gave him medicine, and put salves and things on him. I don't think they were all useless, Once in a while the itching seemed to let up a bit, but there was not much change for the better until a lady across the street asked me why I didn't try the Cuticura Remedies. I told her I had no faith in those things you read about in the papers. She said she didn't want me to go on faith nor even to spend any money at first. She gave me some Cutieura Ointment - I think the box was about half full - and a piece of Caticura Soap. I followed the directions, bathing Charlie and putting that nice Ointment on the

"I wouldn't have believed that my baby would have been cured by a little thing like that. Not all of a sudden, mind you. Little by little, but so surely. Charlie and I both got more peace by day, and more sleep by night. The sores sort of dried up and went away. I shall never forget one blessed night when I went to bed with Charlie beside me, as soon as I got the supper dishes out of the way and the older children undressed; when I woke up the sun was streaming in. For the first time in six months I had slept through the night without a

"Yes, that fat little boy by the window is Charlie, and his skin is as white as a snow flake, thanks to the Cuticura Remedies. I think everybody should know about the Soap and also the Ointment, and if it is going to help other mothers with sick babies, go ahead and publish what I have told you." MRS. HELENA RATH.

The agonizing, itching, and burning of the skin as in eczema; the frightful scaling, as in psoriasis; the loss of hair, and crusting of the scalp, as in scalled head; the facial disfigurements, as in pimples and ringworm; the awful suffering of infants, and anxiety of worn-out parents, as in milk crust, tetter and salt rheum,-all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura Soap, Ointment, and Resolvent are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy have made them the standard skin cures, blood purifiers and humour remedies of the civilized world.

CUTICURA REMEDIES are sold throughout the civilized world.
