

DISGUISED CATARRH

A Stealthy, Insidious, Weakening Enemy to Women—Many Thousand Women Suffer Needlessly From This Cause.

There are a multitude of women, especially housewives, and all other women obliged to be on their feet constantly, who are wretched beyond description, simply because their strength and vitality is sapped away by catarrhal discharges from the pelvic organs. These women get up in the morning tired, drag themselves through their daily duties tired, only to go to bed at night as tired as before.

Mrs. Eva Bartho, 133 East 12th Street, New York City, writes: "I suffered for three years with what is generally known as leucorrhoea, in connection with ulceration of the womb. The doctors advocated an operation which I dreaded very much, and strongly objected to go under it. Reading of the value of Peruna, I thought it best to give this well-known remedy a trial, so I bought three bottles of it at once. Now I am a changed woman. Peruna cured me; it took nine bottles, but I felt so much improved I kept taking it, as I dreaded an operation so much. I am today in perfect health, and have not felt so well for fifteen years."—Mrs. Eva Bartho.

MISS LOUISE MAHON.

Miss Louise Mahon, 3 Glen Ballie Street, Toronto, Ont., Can., Secretary of the King's Daughters and Secretary of Lady Macabees, writes: "If all women knew of the benefits to be derived from taking Peruna we would have many happier and more healthful women. My health has never been too robust, and I am easily fatigued and cannot stand much. About a year ago I was so run down that I had to take to my bed, and became weaker and weaker. A friend advised me to try Peruna, and I have great reason to be grateful, for in two weeks I was out of bed and in a month I was perfectly well, and I now find that my health is much more robust than formerly, so that I take Peruna once or twice a month and keep well."—Louise Mahon.

Peruna is such a perfect specific for each case that when patients have once used it they can never be induced to quit until they are permanently cured. It begins to relieve the disagreeable symptoms at once. The backache ceases, the trembling knees are strengthened, the appetite restored, the digestion made perfect, the dull headache is stopped and the weakening drains are gradually cured. These results certainly follow a course of treatment with Peruna.

Barbara Alberty, corner Seventh and Walnut streets, Appleton, Wis., writes as follows in regard to Peruna: "For years I have suffered with backache and severe pains in the side. I doctored so much that I became discouraged. A school friend told me how very much Peruna had benefited her, and I sent out for a bottle, which did more to relieve me than all the other

MRS. EVA BARTHO.

medicine I have ever taken. I used it faithfully for two weeks, and it completely cured me. I have not had any pains since, anywhere, but feel like a new woman. I am truly thankful for what Peruna has done for me."—Barbara Alberty.

Mrs. Kate Mann, 806 Bathurst Street, Toronto, Ont., Can., Vice-President of the Ladies' Aid Society, writes: "I am pleased to give praise to Peruna for the blessed relief I found through its use. I suffered for years with backache and dragging down pains and often had to go to bed and stay there when I was so busy that I could ill be spared. It was therefore a simple goodsend to me when Peruna was brought to my notice. Every drop seemed to give me new life, and every dose made me feel much better, and I promised myself that if I found that it cured me I would advocate it to every suffering woman should know of it. I have been in perfect health for one year, I enjoy work and pleasure because in such fine health, and no trouble now too heavy to bear when you are in good health. Peruna has simply been a household blessing, and I never will be without it again."—Mrs. Kate Mann.

MRS. KATE MANN.

Mrs. Anna Martin, 47 Hoyt St., Brooklyn, N. Y., writes: "Peruna did so much for me that I feel it my duty to recommend it to others who may be similarly afflicted. About a year ago my health was completely broken down, had backache, dizziness and irregularities, and life seemed dark indeed. We had used Peruna in our home as a tonic, and for colds and catarrh, and I decided to try it for my trouble. In less than three months I became regular, my pains had entirely disappeared, and I am now perfectly well."—Mrs. Anna Martin.

Mrs. Wm. Hetrick, Kennard, Washington County, Neb., writes: "I am fifty-six years old and have not felt well since the Change of Life began ten years ago. I was in misery somewhere most of the time. My back was very weak, and my flesh so tender it hurt me to lean against the back of a chair. I had pain under my shoulder blades, in the small of my back and hips. I sometimes wished myself out of this world, and hot and cold spells, dizziness and trembling of the limbs, and was losing flesh all the time. After following your directions and taking Peruna I now feel like a different person."—Mrs. Wm. Hetrick.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.

Peruna can be purchased for \$1 per bottle at all first-class drug stores.

An abstract of the recent New Orleans census develops the fact that there are 15,000 more women in the city than men.

Not a Paradox
Brute—"There is a man whom I envy; and, curious as it may seem, he envies me."
Friend—"How can that be?"
Brute—"We were both after the same woman—and I married her."

Fashion Notes.
The Monte Carlo coats and the full length empire and seamless princess cloaks seem thus far to prove the prevailing favorites for outside garments for evening wear, and they are made of satin and cloth, as well as velvet and the choicest laces. Black satin coats and those of Muscovite silk are especially good style, with a stitched yoke, and embroidered and fur edged collar and revers.

Medicine Never Healed a Wound

Nature performs the healing process and medicine can only assist her in doing her work in healing wounds and throwing off diseases. Nine tenths of the diseases of man and beast have their origin in some form of germs and if allowed to run and multiply form complications. The reason that Liquid Koal prevents all germs diseases and cures them, unless fermentation and inflammation have too far developed, is that it contains every antiseptic and germicide known to science. All germ diseases such as hog cholera, swine plague, corn stalk diseases, tuberculous, blackleg and numerous others can be prevented by giving Liquid Koal in drinking water, because they are germ diseases and no germ can live where Liquid Koal reaches it. Liquid Koal is unaffected by the gastric juices of the stomach, passes through the intestines and from there into the circulation, permeating the whole system and still retains all its germicidal properties. Diluted with water, in the proportion of one to one hundred, it makes the best lice killer known.

Price of Liquid Koal delivered at your station is as follows:

ONE QUART CAN	\$1.00	TEN GAL. KEG.	\$2.50 PER GAL
ONE GALLON	3.00	25 GAL.—1-2 BBL.,	\$2.25 GAL
FIVE GALLONS,	\$2.75 PER GAL	50 GAL.—ONE BBL.,	\$2.00 GAL

An Electric Eye Opener.
There is in Mobile a gentleman who in the past has been in the habit of oversleeping in the morning hours and as his business requires that he come down street early it is essential that he should awaken at a certain hour. Time after time he came late to his business in spite of alarm clocks and other appliances. One morning last week he came into the office on time to the minute. The others in the office expressed great surprise at this unusual event and asked the whyfore of it. He thus explained:

"I determined that this business of sleeping when I should be awake had to stop, so I called in an electrician and he fixed me up a few things. I have it so arranged that at the hour set a light flashes in my eyes. If this is not successful and I do not get up and throw the switch a mosquito bar and the frame falls on me. If I still slumber and sleep a gong like the one used on the patrol wagon goes off. Should I fail to notice all of these things there is over my bed a bucket filled with water having a small nozzle attached, and a racket releases a stop so that a stream of water is squirted into my face. When I sleep through all these it will be time to order my coffin."—Mobile Register.

Two Knotty Questions.
One of the Berlin courts was occupied the other day with the question whether a starving man was capable of consuming a large loaf of bread, value 8 pence, at one meal. If a man proved to be starving steals bread it is not considered a theft, according to the German law, but is punished lightly. In this instance the loaf was considered too large for one person to consume, but on the workman who stole it from a baker's shop proving that he shared it with a starving friend he was acquitted of theft.

ECZEMA

Psoriasis, Scalded Head, Milk Crust, Tetter, Ringworm, etc.

Speedily, Permanently and Economically Cured, when All Else Fails, by

Cuticura

The agonizing, itching, and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair, and crusting of the scalp, as in scalded head; the facial disfigurements, as in pimples and ringworm; the awful suffering of infants, and anxiety of worn-out parents, as in milk crust, tetter and salt rheum,—all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura Soap, Ointment, and Resolvent are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy have made them the standard skin cures, blood purifiers and humour remedies of the civilized world.

Complete External and Internal Treatment

Bathe the affected parts with hot water and Cuticura Soap, to cleanse the surface of crusts and scales, and soften the thickened cuticle. Dry, without hard rubbing, and apply Cuticura Ointment freely, to allay itching, irritation, and inflammation, and soothe and heal, and, lastly, take Cuticura Resolvent to cool and cleanse the blood. This complete treatment affords instant relief, permits rest and sleep in the severest forms of eczema and other itching, burning, and scaly humours of the skin, scalp and blood, and points to a speedy, permanent and economical cure when all other remedies and the best physicians fail. As evidence of the wonderful curative properties of Cuticura Remedies and of their worldwide sale, we quote from

The Hon. Mr. Justice Finnemore's Letter.

"I desire to give my voluntary testimony to the beneficial effects of your Cuticura Remedies. I have suffered for some time from an excess of uric acid in the blood; and since the middle of last year, from a severe attack of Eczema, chiefly on the scalp, face, ears and neck, and on one limb. I was for several months under professional treatment, but the remedies prescribed were of no avail, and I was gradually becoming worse, my face was dreadfully disfigured, and I lost nearly all my hair. At last, my wife prevailed upon me to try the Cuticura Remedies, and I gave them a thorough trial with the most satisfactory results. The disease soon began to disappear, and my hair commenced to grow again. A fresh growth of hair is covering my head, and my limb (although not yet quite cured) is gradually improving. My wife thinks so highly of your remedies that she has been purchasing them in order to make presents to other persons suffering from similar complaints, and, as President of the Bible Women's Society, has told the Bible women to report if any case should come under her notice when a poor person is so afflicted, so that your remedies may be resorted to."
